ANNUAL REPORTS.

The annual report submitted by each Subordinate Court is the official record of the Court, and the greatest care should be exercised in seeing that it is correct.

In one form or another, no less than seventy-seven of the last annual reports submitted by Subordinate Courts were incorrect.

Greater accuracy should be used in making up the annual financial statement. To begin with, the balance on hand at the beginning of the year should include all moneys standing in the name of the Court by whomsoever held. The receipts for the year should include the actual receipts from all sources, and in the disbursement the same detail should be had. The balance at the end of the year should show the actual balance in money standing in the name of the Court, whether in bank or in the possession of the treasurer, trustees or other officials or committees. Under no circumstances should the cash balance at the end of the year include moneys due the Court.

TRUSTEES OF THE HIGH COURT.

The Trustees of the High Court have been active and zealous in the performance of their duties in relation to the Emergency Fund and its investments.

During the year the real estate investments were inspected and the owners' attention called to any infractions of the conditions named in the mortgage loans, resulting in a discontinuance of such infractions.

The Order holds the receipt of the Treasurer of the Commonwealth for the securities at their face values, representing all the Emergency Fund accounted for by the Trustees, excepting a balance of $63.59 deposited with the Old Colony Trust Company.

The report of the Trustees of the Emergency Fund will be found on pages 31 and 32. This report must be gratifying to every member of the Order.

FAITHFUL COURT OFFICIALS.

In the management of Subordinate Courts during the past year, generally speaking, the officers and members are to be congratulated upon the excellent results achieved. Very many of the Subordinate Courts officials have served for years in their official positions, which speaks for them the esteem and confidence that the members of their respective Courts have in their integrity, and their ability to manage the particular duties assigned them. This is evidently merited, for each recurring year finds them renewing their zeal and fidelity with a fervor that serves to increase the enthusiasm and efficiency in the work of the Order, rather than to decrease it. The Order, consequently, is to be congratulated upon having the continued services of these estimable ladies and gentlemen, who have done so much in their several capacities in meeting the needs of the increasing business of this great and growing organization.

To particularize, in the annual report for the year 1889, we find in the directory the following officers of Subordinate Courts whose services have been continuous in the same office to January 1, 1909:

Treasurers—Daniel J. Carney of St. Joseph Court, No. 11; Thomas Arthur of Williams Court, No. 19; David O'Brien of Mt. Pleasant Court, No. 20, William O'Brien of Qualey Court, No. 32; Malachi Lennon of St. Joseph Court, No. 38; Patrick Brady of St. Mary Court, No. 43; John F. McNulty of St. Augustine Court, No. 46.

Recording Secretaries—Dennis Kelliher of Iona Court, No. 10; Cornelius J. Lynch of Erin Court, No. 28; Michael J. Madden of Worcester Court, No. 59; Daniel Frawley of St. Lawrence Court, No. 61.

Just how long the above named brothers have served in the same capacity in their respective Courts is not at hand, but in some cases, over a quarter of a century of services have been rendered.

It is suggested that a roll of honor occupy a conspicuous place in each of the Annual Reports to be submitted in the future, giving the continuous service of each Subordinate Court official who has occupied the same position for twenty years or more, as a merited recognition of their faithfulness.

The close of the present year will find a number of additional efficient Subordinate Court officials who will have served twenty years in the same capacity; and each recurring year will find additions to the list.

SUSPENSIONS.

For failure to comply with the provisions of Article XIII, Section 2, High Court Constitution, with reference to the payment of Mortuary Assessments, the High Standing Committee was obliged to suspend forty Subordinate Courts during the year. Two Courts were suspended eight times each; one, five times; two, three times each; six, twice each; twenty-nine, once. After complying with the further provisions of said Section, the suspended Courts were reinstated by the High Standing Committee.

Every possible effort should be made by Subordinate Courts to comply with the provisions of the Constitution and thus prevent suspensions and their resultant inconveniences to the High Standing Committee and the officers of the Subordinate Courts suspended.

RECEIPTS OF THE ORDER.

The entire receipts of the Order came from the Subordinate Courts, excepting the interest on the daily bank balances, or the sale of furniture or emblems in bulk to dealers. The system of sending statements of the receipts annually to the treasurers of Courts, was continued last year with good results, and cannot help but be useful as an audit of the receipts. These statements are bound and preserved for such future reference as may be needed.

On page 19 will be found a statement of the payments to this office from each Subordinate Court on account of the different funds, and it is respectfully suggested that the officers and members of each Court scan this closely to determine its correctness as to their Court.

HIGH STANDING COMMITTEE.

The High Standing Committee have held forty-eight meetings during the year, with an average attendance of 83 per cent. In addition to their attendance at regular meetings, the Committee have as a body and as individuals, made three hundred and forty-seven visits to one hundred and sixty-one Courts of the Order.

In directing the affairs of the Massachusetts Catholic Order or Foresters, the High Standing Committee have been actuated only with the desire to give the best service that it was theirs to give in the arduous labor involved, and the result has been a prudent and conservative administration consistent with progress.

It has been the honorable ambition of each of the several distinguished gentlemen who have been elected to the office of High Chief Ranger, from the first one, Captain Dennis F. O'Sullivan, the "Father of the Order," down to the present incumbent, to have a successful administration of the affairs of the Order during his occupancy of the office; and a glance at the splendid progress made by the Order during the past two years, entitles our present High Chief Ranger, Brother Charles E. Bonning, to feel that his administration will measure well with that of any of his predecessors.

Brother Bonning has given freely of his time and energy to the duties of the office of High Chief Ranger and as a member of the High Standing Committee for the past eight years, and for the faithful services rendered by him to the Order, he deserves from you the highest meed of praise. The members of the High Standing Committee have always held Brother Bonning in the highest esteem, and he will carry with him through life the best wishes of those who have been members of the Committee at any time during his eight years of service.

Individual interest is the strongest tie which binds together the members of an organization, so that its strength, life and effectiveness depend upon the prudence and zeal of its officials and the economic management of its business affairs. The Massachusetts Catholic Order of Foresters is an organization of individual interests that has demonstrated its effectiveness in the field of its chosen labor for nearly thirty years, and its policy of conducting the business of the organization upon the strictest economy, consistent with progress, has brought to it the confidence of the Catholic people of Massachusetts. If the Order can continue to receive the same loyal support from its officers and members in the future as it has received in the past, still greater confidence in the work of the Order will be established.

For the many courtesies extended to me by the members of the High Standing Committee, Deputy High Chief Rangers, Officers and Members of the Order, I return my sincere thanks.

Very respectfully,

JOHN J. LEONARD,

High Secretary-Treasurer.

Fellow Delegates, Sister and Brother Foresters:

Circling time brings us again to our annual convention. For thirty consecutive years the delegates of the Massachusetts Catholic Order of Foresters have gathered in solemn conclave to discuss the affairs of this organization; to enact laws and regulations for our government, and to transact such business as would naturally come before such a body. These enactments and laws, the result of the combined wisdom of very clever men, and years

of experience, have given to us a form of government second to none in this country. Each year has brought its lesson, some indeed that were costly, and these must be placed to the temporary loss of our organization, while most of them, and we are pleased to say it, have redounded to the greater good of the thousands of people who are governed thereby.

This present meeting will meet certain issues; you will be called upon to pass certain resolutions, to enact some amendments, all of which will demand at your hand, fellow delegates, the utmost prudence and wisdom.

You have begun the day well; we have asked Almighty God to bless our deliberations, and it is my particular duty at this hour to beg of you, as you value our united welfare, to bring to the convention that calm, deliberate, honest thought that the importance of the subjects shall require.

I need not warn you that there is no room here for personalities or politics. Any delegate who brings to this hall the narrowness of any supposed personal grievance, or any delegate who has ambition for personal gain, or any delegate who would climb to political prominence by his association with this organization; such a one is unworthy of the honor that his fellows have conferred upon him in sending him here as a delegate; and such a one whose heart and soul and mind is occupied with these contracted views, had better seek elsewhere for a field in which to vent them.

The true delegate takes his place upon this floor mindful that the eyes of the Church and State are upon him. His words and acts will be matters of public criticism, and the power of his ballot must be used to forward the interests of those whom he represents.

The past history of our great Order is a grand one. In characters of gold, indelibly stamped on the pages of the book of life and the book of eternity, stands out the record of works "well done." Thirty years of noble endeavors in the social uplifting of our Catholic people, thirty years of fraternal care of the orphans and widows, thirty years without a pledge unredeemed and a promise unfulfilled. What a grand history and one of which we may be justly proud.

Ten years ago you honored me by making me your High Chaplain. It may be interesting at this time to give you a few statistics of what has been done during these ten years.

We have grown from 13,320 to 28,614 members (a gain of 15,294). In finance our emergency fund has grown from $56,703 to $267,165, a gain of $210,462. During this time we have paid out in death benefits $2,098,000, and in thirty years we have paid in death claims $3,150,000. Such, my dear friends, have been the blessings that have come to us. Who will estimate the vast good we have accomplished?

Our large, wholesome, healthy, strong, good and God-fearing membership with all the dependents that they represent, with every one with whom they come in contact, the noble aspirations that have been inspired, the vast amount of charity that has been done, the grand uplifting of all of our associates, have indeed raised up a power in the land that has brought down upon us the approval of our civil and religious superiors, and the kindly blessings of an all-loving God.

During these ten years it has been my privilege to associate with such High Chief Rangers as a Shay, a Doherty, a Doody, a Cronin, a Reardon, a Murphy and a Bonning; and of all, from first to last, from Shay to Bonning and of the members of all the High Standing Committees of which I am the present second senior member, I can only say, "God Bless them;" of them all I must say, that, if you seek among the courses of our prosperity, we may put it down as the chief among them, the whole-soul, generous, self-sacrificing co-operation of them one and all. And as long as the Order can command the services of such men as have sat at our Council Board of the High Standing Committee, so long will it demand the respect of all thoughtful individuals; so long will it merit the approbation of those to whom we must look for recognition and approval.

It is not my intention to preach a sermon, and you will pardon me, I am sure, if at this time I embrace the opportunity of exhorting you all to keep in mind the virtues of Fraternity, Unity, and True Christian Charity. With these three cardinal virtues as a foundation, you have reared the magnificent temple of Catholic Forestry. Your Faith is the key-stone of the arch that surmounts this magnificent temple, and the better you exemplify your holy Faith in obedience to the Church's law, the nearer will you come to fulfilling your obligations as Foresters. And in deed, he who is not true to the teachings of his Holy Faith, one who is not a practical Catholic, who fails to attend his Sunday

Mass and to go regularly to the Sacraments, one who does not lead a sober and honest life, is not worthy of membership in this great organization; and I appeal to you, delegates, to take home to your various Courts this sentiment, for our organization will be judged by the indvidual membership. Each link of the golden chain that binds member to member and heart to heart is as strong as the individual link of our lives, of that chain of membership of our organization, and if its links be not strong enough to stand the strain put upon it, it weakens, worst comes and eventually failure and disaster.

Admit to your ranks none who will not bear the test of loyal Catholic manhood and womanhood, and in years to come, unborn generations shall rise to call you "Blessed." And so, my dear delegates and Christian men and women, with honest hearts, face the trials and duties of the day, and may God help you to think and act aright in all things, for the good of our great Order and the glory of God.

ADDRESS OF HIGH CHIEF RANGER CHARLES E. BONNING.

To the Officers and Representatives of the Thirtieth Annual Session of the High Court of the Mass. Catholic Order of Foresters in Convention assembled.

Sisters and Brothers:

Once more we meet in convention assembled, all coming here, I feel, imbued with the firm determination that our best efforts will be exerted to insure the stability and perpetuity of our noble Order. With the thought ever uppermost in our minds, throughout all our deliberations, *our Order first*, let us cast aside all personal feelings, so that on retiring to our homes, and in future years, we can look back with feelings of just pride to the part each took in the Thirtieth Convention of the Massachusetts Catholic Order of Foresters.

With gladdened hearts and thankful prayers to Him who guides us, we look back upon the past year of progress and prosperity; yet nothing has been achieved that we cannot and do not expect to surpass.

The number of applications received, our increase numerically and financially, the number of meetings held by your High Stand-

ing Committee, the number of new Courts instituted, in fact almost any information desired may be found in the carefully prepared report of the High Secretary-Treasurer.

It contains a fund of valuable information and any member will be amply repaid for the time spent in close perusal and study of its contents. I shall therefore refrain from taking your valuable time in again referring to these matters, interesting though they may be.

While our numerical increase was not as great as the year previous, it is highly gratifying to know it was larger than any other fraternal society that exists in this State.

The number of applications received up to the present time this year is greater than we have received in the corresponding time in any year since our Order was instituted.

With continued activity and energy, my successor will have the pleasure of reporting to you one year hence, the largest increase during his administration.

In addition to the Courts mentioned that were instituted last year, the following have been instituted since then: St. Gerard Court, No. 234, of Norwood, and St. Brendan Court, No. 235, of West Springfield.

HIGH STANDING COMMITTEE.

While the members of this body have been, and always are, ready to accept the many calls made upon them, some members fail to realize that, with the natural growth of the Order comes a corresponding increase in the duties of your High Standing Committee; therefore, if at times they fail to accept invitations extended to them, it is not because they desire to shirk their duty, but prior engagements or other good and sufficient reasons prevent them.

I would ask you to impress upon the minds of the members of your Courts not to rush to the Committee with every little grievance. There are few if any Courts that have not the intelligence, with the assistance of the Deputy, to manage and settle their own affairs.

Above all it must be borne in mind the same Constitution governs the High Standing Committee as does the individual Court and its members. It is therefore absolutely useless to ask or expect

any ruling or interpretation of the laws that in any way may be a violation thereof.

Among the many regrets I have in leaving my present associates and retiring as your High Chief Ranger, that which I feel keenest is the severing of close association with two gentlemen with whom I have had the honor to serve for the past eight years, our Worthy High Chaplain, Rev. James H. O'Neil and High Secretary-Treasurer Major John J. Leonard.

Words fail me to express my sincere gratitude to them both for their many favors and for the valuable assistance they have rendered to our Order.

It is a source of gratification to me to know their efforts and services are so generally and generously appreciated and I sincerely trust that the members of our Order will always recognize their worth.

To my other associates on the Committee I have none but words of praise and appreciation for their generous support and their faithful, honest devotion to duty. I firmly believe there is no fraternal society or old line insurance company that has a better corps of medical examiners than has our Order; in fact, the work of this department speaks for itself. With the remarkable increase in membership of recent years, in place of having a corresponding increase in the death rate, we had a decrease of sixteen last year.

I am free to state, I believe, we will never find one to excel in faithfulness, devotion and ability our late High Medical Examiner, Dr. Francis J. McQueeney, and I have the same firm belief, from close observation since his connection with the office, that Dr. Hanley has successfully labored to maintain the high standard of his predecessor. For the fearless, honest and conscientious manner in which he has performed the duties incumbent upon him, I extend to him my personal appreciation, and in behalf of his associates and the Order, thank him most sincerely. I cannot refrain from going into this matter more at length than perhaps seems necessary, yet the vast importance of this office so impresses me I feel too much cannot be said in relation to it. It is unfortunate, nevertheless true, that thoughtless members will not, or cannot, set aside personal feelings either of friendship or otherwise in considering it. In a matter of such vital interest to our Order, when a change is asked for, some valid reason should

be given. If any just reason can be offered why the present incumbent should not be re-elected we should know it; or if there is one better qualified we should know wherein he excels that we may in our best judgment do justice to the Order. A mere change, in my humble opinion, is weakening and detrimental to the entire system.

DEPUTY HIGH CHIEF RANGERS AND DEGREE STAFFS.

The High Standing Committee and the Order have been fortunate in the earnest and sincere support given by the Deputy High Chief Rangers, and their efforts are appreciated most sincerely. Occasionally members of Subordinate Courts, in their haste to settle some affair that arises, forget they have a Deputy and apply to the Committee for a ruling. In all such cases the Committee insists that the Deputy shall be recognized and consulted first.

In conjunction with the Deputies the work of the Degree Staffs has done much to bring about the results we have attained. The applause and words of praise they have received on their many appearances before the various Courts has been justly merited. Deputies have been requested a number of times in securing staffs, to get, whenever it is possible, one in close vicinity to the Court to be installed. The expenses of certain Degree Staffs has caused much comment and criticism which might have been avoided to some extent, by Deputies consulting the High Chief Ranger or High Standing Committee before engaging a staff for any purpose.

IN MEMORIAM.

Again death has visited the ranks of the Past High Chief Rangers, taking from us Past High Chief Ranger Stephen Murphy. Brother Murphy had for a great number of years served as an humble member in the ranks and as High Chief Ranger, with signal fidelity and eminent success.

In his death our Order has lost the services of a devoted member who labored for its advancement and progress, and whose many virtues endeared him to all.

RECOMMENDATIONS.

The following recommendations I present for your consideration. While I do not maintain there is absolute necessity of immediate adoption, my personal opinion is, after much thought, enactment along the lines suggested will strengthen our Order numerically and financially.

I believe some steps should be taken wherein more recognition might be paid the women members of our Order, numbering, as they now do, more than one-third of our membership. There is no question of their ability; this has been demonstrated on various occasions, and I therefore recommend that a special committee be appointed to consider this matter, and report at the next convention.

I also recommend a $500 class of insurance for those who desire membership in our Order, yet feel they cannot, or do not, desire to take the full amount of $1,000.

Many kindred societies present this opportunity to applicants, and if we are not in a position to offer the same, many desirable members will be lost that we might otherwise have.

I further recommend that you consider the advisability of giving your High Chief Ranger some compensation for the increased duties that are devolved upon him.

Our Order is growing and as it grows the demands made upon the highest official increases and his responsibilities become much greater. He must devote a large part of his time to the care of the office entrusted to him, often to the loss of his own business.

To have the services of the best men in our Order we must see to it that they are not obliged to retire from office poorer, financially, than when they entered it. This is a great business organization and we should aim to run it on business principles. We cannot expect to continue to find men, who, however willing, can afford to devote their time to our interests when that devotion will mean loss of money or position.

In conclusion, I realize the great debt of gratitude I owe to the members of our Order for the honor they have conferred and the trust reposed in me. Words are inadequate for me to express my sincere appreciation for the loyalty of my associates, the Past High Chief Rangers, Deputy High Chief Rangers, Officers and Members of the Subordinate Courts, all who have labored so

zealously and given so freely of their time and ability for the success of our Order.

My aim has been while your High Chief Ranger, to give an efficient, honest administration, with due regard for the rights and privileges of every individual member; the measure of success attained I leave you to judge.

Thirty years ago, when nine men got together, for mutual aid and protection, and formed this society of ours, who would have been bold enough to prophesy that this Order was one day to be one of the most potent influences ever created for good, for the Catholic people of this Commonwealth? And yet such it has come to be, step by step, from the very day of its formation until now it appears as a work of men who must have been divinely inspired.

We have never gone backward. Our movement has been constantly onward and upward. As we gain in numbers so also have we steadily gained in confidence and respect. Let us go on then with unfailing zeal and devotion, exerting our best energies to build up this noble Order, that we may continue to deserve the confidence reposed in us and benefit countless thousands yet to come.

Mindful of the fact, we rest upon the solid rock of unvarying Catholic principles and ever true to the same, greater success will be ours.

On motion of Brother John J. O'Hare of Bunker Hill Court, No. 126, it was voted that the address of the High Chief Ranger be referred to the Committee on State of the Order. Seconded by Brother Daniel A. Cronin of St. Joseph Court, No. 11.

REPORT OF THE HIGH MEDICAL EXAMINER, FRANCIS J. HANLEY, M.D.

At the Thirtieth Annual Session of the High Court of the Massachusetts Catholic Order of Foresters, Wednesday, May 26, 1909.

Ladies and Gentlemen:

It is my pleasure at this time to submit for your consideration the annual report of your Medical Department for the year 1908.

Two and one-half years as the official head of this department has taught me to realize fully the duties and responsibilities of the office.

While the duties are arduous and exacting, they have been rendered pleasant and agreeable by the co-operation and assistance of the members of the High Standing Committee, the Medical Examiners and the officers of the Subordinate Courts.

Upon assuming the office January 1, 1907, I established office hours on Mondays of each week for the convenience of those who desired personal consultation or conference in matters pertaining to the work of this Department. Many have availed themselves of this plan, and it seems to have given general satisfaction. For the few who could not come on Monday, arrangements to meet them at other times have been made by special appointment.

We have tried, by acting on all applications for membership as soon as received at Headquarters, to eliminate all unnecessary delay, but members should realize the necessity of taking sufficient time for careful supervision and investigation, so that justice may be done both to the applicant and the Order.

It is again my sad duty to report the deaths of two members of our examining corps. Dr. Daniel J. Hurley of Norwood, who died May 31, 1908, and Dr. Daniel J. Hanlon of Hyde Park, who died January 24, 1909. Both were efficient and careful examiners, and by their deaths our Order has sustained a loss not easily repaired.

The changes made necessary, for various reasons, in our corps of Medical Examiners have been, fortunately, few. Where new appointments have been made, all things being equal, preference has been given to members of the Order.

REPORT.

The total number of deaths during the year 1908 was 261, sixteen less than 1907. Of these, forty were women, and 221 men.

Sixty-four, nearly one-fourth of the total number of deaths, were of members sixty or more years old. These losses we should anticipate, and, as was frequently recommended by my predecessor, some provision should be made for the payment of these claims outside of the ordinary mortuary rate we have to bear. For the first time in the history of the Order, among the deaths referred to above, we find recorded the deaths of two women, sixty and sixty-three years of age, respectively.

Dividing the deaths into the two classes, those due to Acute and those due to Chronic diseases, we find sixteen women and 106 men, a total of 122, attributed to acute diseases; and twenty-four women and 115 men, a total of 139, were due to diseases of a chronic nature.

You will note from the following table, that while the number of deaths from Pneumonia were fourteen fewer than in 1907, this disease is still the leading cause of death from acute diseases, claiming thirty victims, twenty-nine men and one woman.

Pneumonia, Apoplexy, Diseases of the Heart, Acute Tuberculosis, Accidental Causes, Diseases of the Stomach, Kidneys, and Acute Blood Poisoning, caused the death of 103 of our members, twelve women and ninety-one men.

EARLY DEATHS.

During the past year there were twenty deaths in members less than two years in the Order, six more than in 1907, when our early death list was the smallest that it has been for several years.

Five of these twenty deaths were due to Acute Tuberculosis.

The first, a women with a splendid family history, and the mother of a large family, about three months before her death had a severe attack of la grippe, from which she failed to rally and developed acute pulmonary tuberculosis. Her attending physician reports—"She refused to give up her work during the la grippe attack, and insisted on attending to her household duties, which were many. She simply killed herself trying to save a few dollars."

Another, a woman only eleven months in our Order, developed acute tuberculosis following a neglected case of la grippe.

The third case was that of a young man under twenty years of age, a member of the Order one year and two months. Besides his regular school duties, he worked on a delivery team of a large store. Eight months after his admission to our Order he showed the first symptoms of the disease which caused his death six months later.

The next case was that of a young man of splendid family history. Both parents, three brothers and one sister were all living, his death being the first to occur in the family. He was a member one year and two months. The history of this case shows that the young man undoubtedly became infected from

an associate in the shop where he worked. The pathetic side of this case is the fact that another brother has since died of the same disease, and another member of the family is at present afflicted with it. No doubt the result of house infection.

The fifth case is that of a young man, a member nearly two years. The attending physician writes: "He was undoubtedly a good risk when admitted to your Society, but was intemperate in his habits, and I feel certain the disease was brought on by dissipation and exposure."

Cancer is given as the cause of two deaths. In both instances the liver was the seat of the disease, and the diagnosis was not made until a few hours before death. In both cases the members entered the hospital for operation for conditions supposed to have been caused by injuries, received, in one case a few weeks, in the other a few days before admission. The fatal disease was discovered during operation and in each instance death occurred within a few hours. One was a member one year and four months, the other one year and two months.

Two deaths were due to acute heart disease, the first, a young woman, a member ten months, was kindly reported by one of the attending physicians. "For the relief of an existing condition it was found necessary to administer ether; an examination of the heart showed no disease. When only a small amount of ether had been administered the patient became cyanotic; all procedure was immediately stopped, but despite the efforts made to revive her she died within one-half hour."

The second case was that of a young man, a member only two months. He was examined by one of our most careful examiners, and, without doubt was a good insurance risk when admitted. Death was caused by acute inflammation of the heart of only four days' duration.

Two deaths were due to accidental causes and a third one indirectly due to accident.

The first, a member fourteen months, was accidently drowned; the second, ten months a member, died from fracture of the skull and bones of the body; the third, died from acute blood poisoning following a slight injury to the nose.

Four deaths were due to extremely acute diseases of a surgical nature. All four cases were removed to hospitals for operation. In two instances death ensued within a few

hours after operation. In the other two operation was deemed inadvisable, and death occured within seventy-two hours from the onset of the disease.

Two deaths were caused by pneumonia. One, a man thirty-four years of age, a member eight months. Duration of illness eight days. The other, a young man under twenty years of age, and a member of the Order only sixteen days. The attending physician reports: "After exhaustive inquiries, I find that the young man was always in robust health previous to his fatal illness, which lasted eight days."

The next loss was a member twenty-four years of age, who was admitted six months prior to his death, the cause of which is given as acute nephritis. The examining physician reports that he had examined this young man with especial care, because of a previous death in the family from the same cause. A few weeks previous to his death the young man participated in an athletic event of a very exhaustive nature, and to this his death is attributed.

The last case was that of a man forty-five years of age, a member nearly two years. The cause of death in this instance was a somewhat rare disease of the *supra renal bodies.* The duration of illness is given by the attending physician as six months.

A fact worthy of notice, is the very low death rate of the women. The history of our Order since the admission of women. up to the present time, shows plainly the wisdom of the movement that granted them membership on an equal basis with the men.

REJECTIONS.

During the year 1908, 2,532 applications for admission to our Order were received at this office. Of this number 397 were either rejected or postponed for the following causes:

In our last report we called your attention in a most particular manner to the important obligation imposed upon investigating committees, of carefully inquiring into the age, occupation and health record of each applicant for admission to our Order. Notwithstanding this fact, you will observe from the foregoing table, not a single rejection was made by them. Fortunately, however, by the careful work of our examiners as well as by special reports received from officers and members of subordinate courts, who have the best interests of the Order at heart, we have been able to keep out a number of undesirable applicants, some of whom would have become members had we accepted the investigating committees' reports.

Our early death list for the last year shows at least one death indirectly due to alcoholic habits in a member who, if the investigating committee had done its duty or if the proposers were actuated by the best interests of the Order instead of friendship, would never have been admitted to membership.

Our experience with regard to the mis-statement of age is much the same from year to year. We simply wish to call the attention of the members of the High Court to the fact that when we find an applicant has deliberately mis-stated his or her age we cannot be expected to believe the other statements made by them on the application blank.

In our last report we called your attention to a condition existing in our Order which, to our mind, demands your attention and consideration. We refer to members who, when admitted,

are following absolutely safe occupations, but who, within a short time, engage in occupations that are extra hazardous, thereby imposing upon our Order a much greater risk than it originally asssumed.

Each year we are paying death claims of persons engaged in occupations that shorten their span of life. Again, we would urge that a committee be appointed to act in conjunction with your High Medical Examiner to devise some remedy to protect our Order from this growing class, and to report at the next annual session of the High Court.

Our attention has been called by not a few of our examiners to an absurd practice amongst many members of Subordinate Courts of misleading applicants to believe that the medical examination is something to be dreaded, or that they will be treated other than with professional courtesy by the Medical Examiner. Members should understand that the medical examination is not a part of the initiatory work, that the practice referred to is absolutely unfair to the Medical Examiner as well as the applicant, and that, not infrequently, it works injury to the growth and best interests of the Order.

In reviewing our mortality tables for the past five years, I am greatly impressed with the number of deaths from infectious diseases, particularly from tuberculosis, that were directly attributable to avoidable conditions, had the members availed themselves of the opportunities of learning the first elements of health and hygiene. It is a well established fact to-day that this disease is not only curable, but easily preventable if the proper rules of health and hygiene are followed.

What a great amount of good could be accomplished, by a decrease in the death rate from infectious diseases, not alone for our Order, but for ourselves individually and our posterity, if we, as a fraternal organization, should become actively interested in the present campaign of education in the prevention and cure of tuberculosis, the results of which already show a noticeable decrease in the mortality rate from this disease.

As we are fraternal, we certainly cannot enter a work more likely to bring results of inestimable value, and one that will teach a large body of men and women in almost every walk of life, the lessons calculated to decrease bodily ills, lessen early mortality, and thus lengthen out the span of life by a

possible twenty-five to fifty per cent. to say nothing of the comforts and happiness that would naturally accompany such a state.

As a commercial proposition alone, it would seem that not only our Order, but all fraternal insurance societies should enter into this work by employing the best and most impressive methods of disseminating knowledge pertaining to sanitation, hygiene and preventive medicine.

We have as capable and efficient a corps of medical examiners as any organization in the State. They are all men and women who are an honor to their chosen profession, and I feel safe in saying—stand ready to assist in this great work in every way they can.

I would suggest, as a beginning, that from time to time each subordinate court invite its medical examiner and other physicians to come before them, and talk to them upon the prevention and cure of tuberculosis and other subjects pertaining to sanitation and hygiene. Once the work is begun, and the members become interested, various methods will suggest themselves, or be suggested, that will keep up the interest.

I would earnestly recommend that you members of the High Court give this matter your thoughtful consideration, bring it home to your subordinate courts, agitate it; to the end that our Order, which now stands in the foremost rank as a Fraternal Insurance Organization, will add another gem to its crown by standing in the foremost rank in this great work for the welfare of humanity.

In conclusion, may I ask your careful perusal of the tables and suggestions embodied in this report. They are of such importance to us all, and mean so much to the organization of which we are all proud to be called members, that I ask, with that confidence inspired by our past unbroken success, your continued interest in the work of your Medical Department, thereby assisting materially in making the future growth one that will insure a larger, a stronger, and more prosperous Massachusetts Catholic Order of Foresters.

I have the honor to subscribe myself,

Fraternally yours,

FRANCIS J. HANLEY.

The report of the Trustees of the High Court was presented by the Chairman, Brother Patrick F. Burke, of St. Gregory Court, No. 24.

REPORT OF THE TRUSTEES OF THE HIGH COURT.

SISTERS AND BROTHERS:—

The Trustees of the High Court beg leave to submit the following report for your consideration:

Balance in hand of Trustees, January 1, 1908 ...	$222,753 79
From High Secretary-Treasurer, Emergency Fund	29,304 68
Net earnings on investments for 1908.....	9,347 78
	$261,406 25

Invested as follows:

First Mortgage loans.....	$133,350 00
Municipal Bonds, cost value.....	127,477 80
Old Colony Trust Company, on deposit.....	63 59
Union Institution for Savings, on deposit	514 86
	$261,406 25

Of the total amount in the Emergency Fund over 22 per cent. or $57,612.68, have been the earnings, and the balance of $203,793.57 has been paid into the Emergency Fund by members of the Order.

The notes on the forty-two mortgages call for $133,350; the assessed valuation of the mortgaged property May 1, 1908, was $237,000; and the insurance on the buildings amounted to $172,650.

The Municipal Bonds owned by the Order are divided amongst the cities of Boston, Brockton, Chelsea, Fall River, Fitchburg, Haverhill, Holyoke, Lawrence, Lowell, Lynn, Malden, Melrose, New Bedford, Newton, Quincy, Somerville, Springfield, Taunton and Waltham. The cost value of these several bonds was $127,477.80.

The receipts from January 1 to April 1, 1909, were $2,502.60 making the total in the Emergency Fund, April 1, $263,908.85.

Since April 1, there has been received $3,256.95, divided as follows: Interest on mortgages $1,171.50; net interest on bonds $1,473.75; interest on daily balances $36.85, and Emergency Fund from High Secretary-Treasurer $574.85.

The total amount in the Emergency Fund in the hands of the Trustees at the time of making up the report May 18, 1909, was $267,165.80, invested as follows:

Real Estate Mortgages, first liens	$133,250 00
Municipal Bonds, cost value	129,494 05
Union Institution for Savings	514 86
Old Colony Trust Company	3,906 89
Total	$267,165 80

The difference in the mortgage loans between December 31, 1908, and May 18, 1909, is accounted for by a payment of $100 upon one of the notes.

Since January 1, the Order purchased a City of Somerville Bond, and a City of Holyoke Bond, amounting to $2,016.25.

A certified copy of the securities owned by the Order and held in trust by the Treasurer of the Commonwealth, dated January 3, 1909, certified that all securities are in his possession as provided by law except the balance of $63.59 which was deposited in the Old Colony Trust Company. The Bonds purchased since January 1, are deposited with the Treasurer of the Commonwealth.

We have practically agreed to take a mortgage loan of $4,500, and for that reason the balance in the Old Colony Trust Company of $3,906.89 has not be invested.

The various estates upon which the mortgage loans have been made were inspected by the Trustees, the High Chief Ranger and the High Secretary-Treasurer during the year and found to be in fairly good condition, and we are of the opinion that the Order is amply protected.

During the year 1908, the increase in the Emergency Fund was $38,652.46.

Respectfully submitted.

PATRICK F. BURKE, St. Gregory Court, No. 24,
GEORGE WIRTH, Holy Trinity Court, No. 51,
SAMUEL J. COCHRAN, Hamilton Court, No. 17,
Trustees.

port at the next Annual Session of the High Court. On motion of Brother James J. Hughes of St. Augustine Court, No. 46, seconded by Sister Susan B. Mahoney of St. Gertrude Court, No. 141, the recommendation of the Committee was accepted and adopted.

Motion put and carried.

Upon the third recommendation of the High Chief Ranger, that the High Chief Ranger be compensated, it is recommended that it be referred to the same committee that is to be appointed under the provisions of the first recommendation, and that they report at the next Annual Session. Voted that the recommendation of the Committee be accepted and adopted.

Upon the first recommendation offered by the High Medical Examiner, the Committee on State of the Order recommend that the consideration of the question of hazardous occupations be referred to a committee of five to act in conjunction with the High Medical Examiner, and the committee to report at the next Annual Session of the High Court. REPORT OF COMMITTEE ON APPEALS.

The Committee on Appeals, through Brother Dennis D. Driscoll of Americus Court, No. 34, reported that the Committee had given consideration to the appeal offered by Brother Samuel J. Cochran of Hamilton Court, No. 17, as follows: In reference to James Mitchell,—when he became a member of the Order he gave his age as forty-nine years, and for six or seven consecutive years held office in Hamilton Court, No. 17, as Chief Ranger and Treasurer. After about seven years' of membership he died and the press notices indicated that he was over age when he applied for membership. At that time the Order was not in as good standing as it is to-day. Instead of being forty-nine he was fifty-one years of age, and the one thousand dollars was ordered not to be paid. The death certificate, naturalization papers, etc., were presented in evidence. A few years ago it was brought before the Annual Session of the High Court and no action was taken. Through the delegate from Hamilton Court, No. 17, it was brought before the High Standing Committee and was referred to a committee to investigate the matter. Your Committee on Appeals understand that the claim has no legal standing, still the man had paid his assessments into the Order and they were never returned and, to bear out the good name of the organization and maintain its good name, your Committee recommend that the High Standing Committee be authorized to pay to the beneficiaries the sum of one thousand dollars. Motion made by Brother James W. Scanlon of St. Philip Court, No. 184, seconded by Brother John W. Brown of Americus Court, No. 34, that the report of the Committee be accepted and the amount paid. After discussion by Brothers Jeremiah G. Fennessey of St. James Court, No. 54, John H. Murphy of Owen A. Galvin Court, No. 173, John J. Crockwell of Mystic Court, No. 77, John T. Hassey of Highland Court, No. 52, Florence A. Lawler of Norfolk Court, No.

145, and Bernard J. Brogan of St. Finbar Court, No. 150, the motion was put and carried.

Brother Timothy B. Reardon of George Washington Court, No. 85, Chairman of the Committee to Receive, Sort and Count Ballots, reported upon the election of High Outside Sentinel, as follows:

Whole number of votes cast, 341; necessary for a choice, 171.

Brother George T. Daly of Erin Court, No. 28, received one vote; Brother William W. Fagan of St. Columbkille Court, No. 65, received 141 votes; Brother Cornelius F. Buckley of St. Augustine Court, No. 46, received 194 votes; blanks, five.

WORKING BOYS' HOME FUND.

There has been received during the year, thirty-five dollars and thirty-five cents, ($35.35) from George Washington Court, No. 85, and this amount was forwarded to His Grace Archbishop O'Connell and an acknowledgment has been received from him of the receipt of the same.

ANNUAL REPORTS.

The Annual Reports submitted by each Subordinate Court is the official Record of the Court and the greatest care should be exercised in seeing that it is correct.

In one form or another, no less than forty-nine of the last annual reports submitted by Subordinate Courts were incorrect.

Greater accuracy should be used in making up the annual financial statement. To begin with, the balance on hand at the beginning of the year should include all moneys standing in the name of the Court by whomsoever held. The receipts for the year should include the actual receipts from all sources, and in the disbursement the same detail should be had. The balance at the end of the year should show the actual balance in money standing in the name of the Court, whether in bank or in the possession of the treasurer, trustees or other officials or committees. Under no circumstances should the cash balance at the end of the year include moneys due the Court.

TRUSTEES OF THE HIGH COURT.

The Trustees of the High Court have been active and zealous in the performance of their duties in relation to the Emergency Fund and its investments.

During the year the real estate investments were inspected and the owners' attention called to any infractions of the conditions named in the mortgage loans, resulting in a discontinuance of such infractions.

The Order holds the receipt of the Treasurer of the Commonwealth for the securities at their face values, representing all the Emergency Fund accounted for by the Trustees, excepting the balance deposited with the Old Colony Trust Company and this was invested early in January in Municipal Bonds of cities in Massachusetts.

The Report of the Trustees will be found on pages 31-32.

FAITHFUL COURT OFFICIALS.

In the management of Subordinate Courts the same words of praise and congratulation can be repeated this year as were contained in the report of one year ago. Many of the Subordinate

Court officials have served in their official positions for many years, which speaks for itself the esteem and confidence that the members of the Court have in the integrity and ability of those selected to perform those duties. This must be merited, for each year finds them again serving in the same position with a fervor and spirit that serves to increase the enthusiasm and interest of the members, rather than to decrease it.

The Order, consequently, is to be congratulated upon having the continued services of those members, brothers and sisters who have done so much in their several capacities, in the needs of the increasing business of this great and growing organization.

Those names that were contained in the last Annual Report are again serving the Order, and that they will continue in the same position for many years hence, is the earnest wish of all.

Treasurers: Daniel J. Carney of St. Joseph Court, No. 11; David O'Brien of Mt. Pleasant Court, No. 20; William O'Brien of Qualey Court, No. 32; Malachi Lennon of St. Joseph Court, No. 38; Patrick Brady of St Mary's Court, No. 43.

Recording Secretaries: Dennis Kelliher of Iona Court, No. 10; Cornelius J. Lynch of Erin Court, No. 28; Michael J. Madden of Worcester Court, No. 59; Daniel Frawley of St. Lawrence Court, No. 51.

SUSPENSIONS.

For failure to comply with the provisions of Article XIII, Section 2, High Court Constitution, with reference to the payment of Mortuary Assessments, the High Standing Committee was obliged to suspend ten Subordinate Courts during the year. One Court was suspended four times; one three times; one twice, and seven Courts once each.

After complying with the further provisions of said section, the suspended Courts were reinstated by the High Standing Committee.

Every possible effort should be made by Subordinate Courts to comply with the provisions of the Constitution and thus prevent suspensions and their resultant inconveniences to the High Standing Committee and the officers of the Subordinate Courts suspended, and the marked decrease in the number of Courts that it has been found necessary to suspend during the past year,

is an evidence of the fact that a fuller recognition of the duties of the members to the Order has been realized.

On November 10th, Stoneham Court, No. 207, surrendered its charter, the members taking withdrawals to Winchester Court, No. 225.

RECEIPTS OF THE ORDER.

The entire receipts of the Order came from Subordinate Courts with the exception of the interest on daily bank balances, and on page 18–22 will be found a statement of the payments to this office from each Subordinate Court on account of the different funds and it is respectfully suggested that the officers and members of each Court study the same closely so as to determine its correctness.

HIGH STANDING COMMITTEE.

The High Standing Committee of the past year, have, as had their predecessors, given freely of their time, and labor in the performance of their duties, not only in attending faithfully the meetings of the Committee, but in being ever ready to respond to calls to visit Courts, and public meetings, and by their presence and efforts to assist in our upbuilding. The Committee has held during the past year fifty-two (52) meetings, with an average attendance of eighty-four per cent. (84%); in addition they have both as members and collectively made 520 visits to 179 Courts.

The year 1909 has been one of eventful history in the life of our organization, it being the 30th anniversary of its foundation. The matter of a fitting celebration commemorative to this milestone was referred at the last Annual Convention to the High Standing Committee, and your Committee after due deliberation, concluded the most lasting memorial that could be had, would be the making of an effort to attain the mark of thirty thousand (30,000) before the end of the year, and how well the members of our order responded is evidenced by the fact, that on Dec. 31st the goal was nearly reached, as we had on that date a total of 29,849 members, the year marking the largest increase of any in our history, and to those who labored so hard in assisting the High Standing Committee to accomplish this great result, the thanks of the entire Order is due. To individualize this great work would be difficult; to all, then, the praise and credit is given

While the year has had its causes for rejoicing, it also has had its causes for sorrow, and in the affliction which befell the Order on the death of the late lamented High Secretary-Treasurer, Brother John J. Leonard, every member felt as if it was a personal loss. Major Leonard had given to the Order, as he had given to all he knew in life, the best he had to give. Masterly, kindly, efficient, he labored hard for the upbuilding not only of this Order, which he loved so well, but for all with whom he came in contact, and to his powerful leadership the Order owes much of its prosperity. His life and his work should be to us an example to follow. "We pause with loving hearts to link anew, the memories which bind our hearts to his."

During the illness of Major Leonard, the High Standing Committee elected High Inside Sentinel, Edward N. Clancy, to act temporarily as High Secretary-Treasurer, and when the office became vacant, Bro. Clancy was elected to fill the position but his business interests would not permit him to make the sacrifice and he consequently declined to accept. High Chief Ranger, Daniel H. Maguire, then resigned his position and was elected to the position of High Secretary-Treasurer. John F. Harrigan, High Vice Chief Ranger, was elected to the position of High Chief Ranger, having resigned as High Vice Chief Ranger and the other members of the Committee were elected to the next higher positions, as the resignations were accepted, and the higher officers installed. The vacancy in the position of High Outside Sentinel was filled by the election of Brother Timothy J. Collins of McDermott Court No. 186.

The MASSACHUSETTS CATHOLIC ORDER OF FORESTERS has a record of which we may well be proud, and this has been accomplished by the active, united and untiring labors of its members. That its future history will be a repetition of the past is the earnest wish of all. To the members of the High Standing Committee for their expressions of confidence in me I tender my most sincere appreciation, and for the many courtesies which I have received from all the members of the Order, I trust I am truly grateful.

Fraternally yours,

DANIEL H. MAGUIRE,

High Secretary-Treasurer.

At a Regular meeting of High Standing Committee of the Massachusetts Catholic Order of Foresters, held Monday, Dec. 5, 1909, the following resolutions were unanimously adopted:

Whereas, The Almighty in His wisdom and love has called our beloved Brother, John J. Leonard, to a higher and better life, we bow with humble submission to His divine decree and would give expression to our bitter loss and send words of cheer and syn to his beloved wife and children; therefore, be Resolved

First, That in the death of Brother Leonard the world loses much of true worth, and the Massachusetts Catholic Order of Foresters a brother worthy of unstinted praise.

Second, That the High Standing Committee has lost a member whose place will scarcely ever be filled, a true man, whose labors, whose zeal, whose loyalty has given to our Order one of the most perfectly arranged offices in our city.

Third, That we tend his sorrowing family our heartfelt sympathy, and unite with them in cherishing the memory of one who was a loving father, a faithful friend, and a true Christian man.

Resolved, That the Charter of the Order be draped for sixty days; that these resolutions be placed on the records of our meeting and a copy suitably engraved be sent to the family of our deceased brother.

ADDRESS OF REV. JAMES H. O'NEIL, LL.D. HIGH CHAPLAIN.

Brother and Sister Delegates, dear Foresters:

It is my honor and privilege to address you as your Chaplain for the twelfth time. For twelve years I have been responsible to my ecclesiastical superiors for the spiritualities of the Massachusetts Catholic Order of Foresters. I leave you, Brother and Sister Foresters, to judge the results. Of one thing you may all be sure that for your sakes I have not grudged my time, my

small means, my feeble talents, that this great Order might live up to the high standard of loyal Catholic ladies and gentlemen. And it is no idle boast to stand here and declare that no organization, state or national, can boast of greater loyalty to church, more real compliance to the orders of your ecclesiastical superiors and Chaplains, or of greater sacrifices in all that makes for charity and religion, than the members of this great organization. This spirit of ready compliance to your constitution and the wishes of your superiors, joined to the grand spirit of unselfishness and generosity have brought to your doors the great success that has attended your efforts and the blessings of the God of harity.C

The past year is punctured with financial success, wonderful progress and increase of membership. It brought to us with this satisfaction of joyous advancement the shadow of sorrow. You were called upon to kneel at the bier of one dear to us all. The hand of death touched our Brother, and the whole Order wept and prayed for John J. Leonard. Thirty thousand sorrowing hearts mourned for him. Thirty thousand loving hearts sent prayers to the throne of God that he might rest eternally. Though dead his spirit lives, and the admirable order and regulations of his office, directed by the official force he had trained, carried the Order through a threatening crisis.

He still lives in the admirable financial condition of our Order which has won unstinted praise from the highest state insurance officials. Many a loyal heart like his throbs with love and in this self-sacrifice spirit for this Order, and this very unselfishness is to be found the strongest force and power for advancement.

Time, talent and personal interests have been sacrificed by the founders and promoters of this organization, by the present and past members whom you have elected on the High Standing Committee.

If to day we glory in our past history of thirty years, it can be traced directly and immediate to the whole-souled, generous-hearted men who have given all without cost or price that charity and alms deeds might abound, that Unity and Fraternity might find a place in the rank and file of Catholic manhood and Catholic womanhood of this great old Bay State.

In my fellow-members of the High Standing Committee, you have men of this calibre and as long as this organization can

command the services and the personal sacrifices which have marked the acts of the members of all High Standing Committees, on which I have had the honor to serve, so long is its stability insured and its capacity for good limited only by the number of Catholic souls in the State of Massachusetts.

We have lived and progressed by the grace of God, by the hearty endorsement of our high ecclesiastical authority, by the labors and sacrifices of the secular priesthood of this diocese, who are 200 strong in your ranks; we live and progress by the endorsement of the highest civil authority. The good that has been accomplished, challenges the admiration of all thinking men.

Such has been the boast of our past. From it draw inspirations for the future. Our Society rests on the unchanging foundation of Christian Catholic faith. Our watch-word must be "Loyalty and Fidelity," to her who holds the torch and light of faith and charity, the hope and progress of the world.

Stimulated by the magnificent utterances of his Grace, our beloved Archbishop, our hearts should expand in unison to the steps "Forward," which he advocates. Nor must we find room in our ranks for milk and water, lackadaisical, week-kneed Catholics. We are the Massachusetts Catholic Order of Foresters, and we must "render to Cæsar the things that are Cæsar's, and to God the things that are God's." Be loyal to your principles of Unity, Fraternity and true Christian Charity. Be loyal and obedient to the mandates and wishes of those, your superiors, who stand in God's place for you. Be loyal to your church and its precepts; be loyal to God, be loyal to your State, be loyal to yourselves, and it must follow, even as does the rising and setting of the sun, thou canst not be false to any man. Your deliberations to-day must be marked with calm, Christian moderation. Full discussion of all questions must be heard. Let your answer to the deliberations be "what is best for your Order."

Sink personalities, sink politics, sink petty interests, and bear in mind that you are the servitors of 150,000 souls who to-day watch and pray that your acts may redound to the glory of God to the good of the Catholic Church, and to those, your dependents.

May the God of Charity look down upon you and when your labors here to-day are finished, may you go to your respective homes, conscious of a good work well done.

ADDRESS OF
JOHN F. HARRIGAN, HIGH CHIEF RANGER,

to the 31st Annual Convention of the Massachusetts Catholic Order of Foresters, May 25, 1910.

Sister and Brother Foresters:—

Once again the hands on the dial of time has revolved to the fourth Wednesday of May, and as a consequence we are once more gathered together in Annual Session to listen to reports of the officers of the past year and to deliberate on those measures that may be for the most good of the Order, and it is with feelings of more than ordinary pride that I render to you at this time my personal record of stewardship and the accomplishments since our last Convention.

The Massachusetts Catholic Order of Foresters has had many years well worthy of praise, and the past year will compare most favorably with any in its proudest pages of history, and in no respect has it to be singled out, but in all, membership, increase in funds of both Mortuary and Reserve, and in the payment of death benefits.

The High Chief Ranger at the last Annual Convention predicted for his successor the most successful year in our history, and how true those words were may be realized when we consider that the largest gain of any was made by the admission into our ranks of two thousand eight hundred twenty-one new members (2,821) and a net gain of two thousand ninety-four (2,094). Notwithstanding the fact that there was twenty-seven thousand dollars ($27,000) more paid out in death benefits than in the preceding year, our mortuary balance at the end of the year was twenty-three thousand dollars ($23,000) more than at the beginning. Our Reserve fund grew from two hundred sixty-one thousand dollars ($261,000) to three hundred three thousand dollars ($303,000). All of this has been accomplished by the loyal interest manifested by the entire membership of the Order, and as we wish to see it grow and prosper, to increase its scope for doing good this same interest must continue.

IN MEMORIAM.

The death of Major John J. Leonard, our High Secretary-Treasurer on November 17th, was to the Committee and to the Order a sad loss. During his administration our society grew in numbers and influence; he was proud of the Order and gave to it his best efforts. To him almost every individual member was personally known; to the Massachusetts Catholic Order of Foresters he was ever loyal and faithful; no call for services came to him in its behalf to which he did not cheerfully respond. His attention to the work of the Society endeared him to all and his labors in its behalf, and the results obtained therefrom has made for him a most enduring monument.

HIGH STANDING COMMITTEE.

At the last Annual Convention you elected Daniel H. Maguire as High Chief Ranger. He served in that capacity in a most faithful and creditable manner as he had all other positions which he had occupied on the High Standing Committee, and when the office of High Secretary-Treasurer became vacant in November, he was unanimously elected to fill that position. The High Vice Chief Ranger was elected to fill the office of High Chief Ranger made vacant by the resignation of Mr. Maguire, and the remaining members of the Committee were elected to the next higher office as they were made vacant. All have been faithful in the discharge of their duties, the records showing an average attendance at the meetings of the Committee of 83% of its members, and all have been ever ready to respond to calls to public gatherings where they could be of service, and to-day, in your behalf, I tender them this token of your appreciation.

Our efforts during the past year have been bent upon the increasing of the membership of the Courts already formed, rather than to the formation of others, so there have been but three new Courts formed during the year 1909, these being St. Gerard, No. 234 of Norwood; St. Brendan, No. 235 of West Springfield, and Stang, No. 236 of Fall River.

A careful reading of the report of the High Secretary-Treasurer will give to each of you a fair idea of the vast amount of work during the year and the labor and effort necessary for its accomplishment.

FINANCES.

The balances in the Mortuary and General funds have been deposited in different Trust Companies and banks of sound standing and unquestioned stability, and through the medium of the sound business judgment of the officers of the past year we were enabled to obtain a splendid increase in the amount of interest received on our daily balances.

DEPUTY HIGH CHIEF RANGERS.

The Deputy High Chief Rangers for the most part have labored earnestly and faithfully for the upbuilding of our Order, and for all they have done I express my sincere gratitude.

To the High Court Chaplain of our High Court, Rev. James J. O'Neil, for his wise counsel and good judgment in matters pertaining to a Catholic body such as ours, I tender my sincere appreciation, and the wish that he may be with us until he is called home to Him in whose vineyard he has labored so long and so earnestly.

We are fortunate in having at the head of our Medical Department a man possessing the marked ability of our Worthy High Medical Examiner, Dr. Francis J. Hanley. Each year his method and system are becoming more and more perfect, his zealous and untiring efforts to admit none but first-class risks into our Order can be best appreciated by those who have the interest and welfare of our Order at heart.

RECOMMENDATIONS.

The life of all fraternal organizations is based on its average age. On this depends the expectancy of life and the percentage of death. As age comes on us so will the number of years we have to live grow less, and percentage of death grow larger. Our age is to-day 40.90 years, a gain of .12 for the past year.

Have as our slogan for the year the reducing of the age to forty years, and maintain it and the result will be that nine assessments will be sufficient to pay all Mortuary Calls.

BENEFIT CERTIFICATES.

The rule governing benefit certificates at present is that any member desiring one shall purchase the same, paying therefor the sum of twenty-five cents ($.25). The total revenue from this source is comparatively small, and I would suggest that hereafter all members shall be presented with one at time of initiation. I believe by doing this it would create an interest in the party receiving it and would have a tendency to bring our Order more prominently before the Catholic people. The cost to the Order would be small compared with the results obtained.

In conclusion, I offer my heartfelt thanks to the members of the High Standing Committee for the many courtesies shown since assuming the duties of High Chief Ranger. They have at all times held themselves in readiness to sacrifice home and family for the good they might do in assisting in our upbuilding. Let us deliberate well upon those matters that are to come before us to-day, and when we return to our homes let it be with renewed interest in our minds, and our hearts filled with the true spirit of those cardinal virtues upon which our Order is founded Fraternity, Unity and True Christian Charity.

On motion of Brother Daniel H. Maguire of Merrimack Court, No. 72, seconded by Cornelius M. Duggan of Neponset Court, No. 180, it was voted that the report of the High Chief Ranger as read be received and its recommendations be referred to the Committee on State of the Order.

REPORT OF THE HIGH MEDICAL EXAMINER, FRANCIS J. HANLEY, M.D.,

At the Thirty-First Annual Session of the High Court of the Massachusetts Catholic Order of Foresters, Wednesday, May 25, 1910.

Sisters and Brothers:

In pursuance of our annual custom I herewith present for your careful consideration the report of the Medical Department for the year 1909.

The splendid response to the appeal of the High Standing Committee for increased activity in seeking new members has made the past year a memorable one. While the increase in membership was the largest in the history of our Order, the high standard of former years has been maintained. Each new member has been thoroughly tested, and vigilance has not in any way been relaxed. Therefore, our increase has been both safe and substantial. The Medical Examiners seemed imbued with the spirit of the year and have given prompt and invaluable assistance in the handling of applications. In but few instances has there been any unnecessary delay.

On the whole, it may be said that the Medical Examiners have rendered most efficient service and that their work has been marked by painstaking care and shows every indication of conscientious labor spent for the best interests of our Order.

My report, I feel would be incomplete, were I to fail to refer to the great loss sustained by our Order last November by the death of our late High Secretary-Treasurer, Maj. John J. Leonard. As the member of the Committee, who by nature of the Office of High Medical Examiner, came closest in contact with him, let me say, he was the personification of gentleness and kindness, imparting to all, without distinction, his wise counsel and advice, and I believe the splendid success of our Order is due in a great measure to his untiring efforts and to the business methods inaugurated by him. While we mourn his death, we should be thankful that we have had the benefit of his ability and intense devotion for the last eight years of his life.

The mortuary record for 1909 was 304. Three hundred and two died during the year; one died in 1906, but this death

was not reported until December, 1909. The other was a member of Taunton Court, who had been missing for a number of years. At the October Sitting of the Superior Court in Bristol County, this party was adjudged legally dead, and the Court ordered the mortuary benefit paid.

Of the 302 deaths, 245 were men and 57 were women. One hundred fifty-two, more than one-half the total deaths, occurred in members who were over fifty years of age.

EARLY DEATHS.

Our death rate of members less than two years in the Order is smaller than in 1908. This year we have had but fifteen deaths in this class.

TABLE 2.

	Men	Women	Total
Pneumonia	2	1	3
Acute Tuberculosis	1	2	3
Cancer	2	0	2

Surgical Operations	1	1	2
Apoplexy	0	1	1
Suffocative Bronchitis	1	0	1
Nephritis	0	1	1
Diabetes	1	0	1
	9	6	15

Of these fifteen deaths, three occurred in members who were less than one year in the Order, one of these was caused by Accident, another Pneumonia of a few days' duration, and the third, by Suffocative Bronchitis of only a few days' duration. There have been twelve deaths of members who have been between one and two years in the Order. Of these three were due to Acute Tuberculosis, following in two instances, Pneumonia, and in the other case, Typhoid Fever. Two were of members within a few days of two years; the other of a member of one year and five months.

Two deaths were caused by cancer and in both of these cases from the reports received we have every reason to believe that the disease developed after admission to our Order. One was of a member one year, eleven and one-half months, the other, one year and ten months.

In two instances death was due to surgical shock, following operations for Acute conditions. One of these was a member one year and seven months, the other one year and twelve days. One death was caused by apoplexy in a woman one year and five months a member. The report received in this case was that the

applicant showed no sighs of arterial degeneration or kidney disease at the time of examination.

One death of a young man twenty-nine years of age was due to diabetes. The first symptoms of his fatal disease appeared about one year after admission and the disease, as is usual in young people, ran a rapid course, and he died seven months later.

Two deaths were from Pneumonia, both were members one year and ten months.

The remaining death was that of a young woman, one year and five months a member. The cause of death was Acute Nephritis, a complication approaching motherhood.

We desire to express our appreciation to the Medical Examiners as well as to the attending physicians for their prompt and courteous reports in cases of early deaths.

REJECTIONS.

During the year 1909, 3453 applications for admission to our Order were received at this office. Of this number 504 were either rejected or postponed.

The reports of investigating committees have not been any more satisfactory than in former years. It seems almost an impossible task to make members realize the necessity of careful work in investigating applicants. In the case of several applications which were approved, the reports of the investigating committees being favorable, information was received from other sources which led us to recall the approval blanks before the applicants were initiated. Investigation from this office proved they were not proper persons for admission.

You will observe from the above table that twenty-two applicants were refused admission on account of Alcoholic habits. All of these were favorably reported upon by the investigating committees. It would seem as though the information received by us in these cases could have been easily obtained by the investigating committees, had they realized the responsibility imposed upon them, and had the best interests of our Order at heart. Undoubtedly there are many similar cases which have escaped the vigilance of the High Standing Committee, and these naturally tend to increase our mortality rate.

Another matter to which your attention is called is the practice of members insisting that the High Standing Committee give the reason of rejection, in case of applicants to their Court, who are not accepted, and oftentimes of suggesting to such applicants that they call at headquarters and seek such information. Members should realize that we cannot comply with such requests. Information as to whether it might be advisable for a rejected applicant to again seek admission is always cheerfully given, but the cause of rejection we cannot give, and members will render much assistance to the High Standing Committee if they will bear this in mind and so advise rejected applicants.

Applications of persons over forty-two years of age, if of foreign birth, should not be presented, unless they can furnish satisfactory proof of their age. We cannot accept these applicants and it is unfair to them to take their application fee.

The custom of the High Standing Committee of giving an annual dinner to the Medical Examiners after a lapse of three years, was resumed last year, and the dinner given in March. Papers were read by distinguished specialists on subjects appertaining to the examinations of applicants for life insurance. Richard C. Cabot, M.D., Assistant Professor of Medicine at Har-

vard, read a paper on "Physical Examination and Diagnosis;" Timothy Leary, M.D., Professor of Pathology of Tufts Medical College, a paper on "Newer Method of Diagnosis and Treatment of Obscure Diseases;" and Francis D. Donoghue, President of the Mass. Society of Medical Examiners, a paper on "Surgical Conditions that Affect Life Insurance Risks." The meeting was a very profitable one for the examiners; many important questions relative to their work were thoroughly discussed. An Annual Meeting of the Medical Examiners, where an opportunity is presented of discussing between themselves the various phases of their work, and especially of obtaining the benefit of the knowledge and experience of recognized experts on obscure medical problems, closely allied with life insurance work, must of necessity prove beneficial to the Order, by stimulating the interests of the examiners and better fitting them for the discharge of their duties.

In my last report, it was suggested that an effort be made to interest the members of our Order in the Anti-tuberculosis movement, and that as a beginning subordinate Courts should call upon their Medical Examiners or other competent physicians to address them on this subject. It is a pleasure to report that a number of Courts have taken up this matter and we trust the interest thus manifested will be maintained and that many, if not all of the Courts, will become interested in this most important subject this year.

The question of hazardous risks referred to last year has been considered by the committee appointed at the last convention, and a plan adopted whereby we will be able to ascertain just what effect these risks have upon the mortality rate.

The relations between the Medical Department and the officers and members of subordinate Courts, with whom we have come in contact, have been uniformly pleasant, and we wish to thank them as well as the members of the High Standing Committee for the many courtesies extended during the year.

Respectfully submitted,

FRANCIS J. HANLEY.

All the Past High Chief Rangers present were invited to take seats upon the platform.

Brother James J. Lannigan of Cathedral Court, No. 1, for the Committee on Credentials, reported that, "the Annual Session if complete, would be composed of 618 delegates representing 227 courts. At the present time there are 463 delegates present, representing 190 courts. In reference to the difference existing in Essex Court, No. 16, the Committee desired further time to consider and to report later." On motion of Brother John F. The High Chief Ranger called for the report of the High Medical Examiner, Dr. Francis J. Hanley.

Brother Daniel H. Maguire of Merrimack Court, No. 72, moved that as the report of the High Medical Examiner was a very lengthy document and would require the serious consideration of each and every part contained therein, that it be received as printed and its recommendations referred to the incoming High Standing Committee. Seconded by Brother Nicholas Stephen of Windhorst Court, No. 132. Motion carried.

The report of the Trustees was presented by the Chairman, Brother Patrick F. Burke of St. Gregory Court, No. 24, as follows:

REPORT OF THE TRUSTEES OF THE HIGH COURT.

SISTERS AND BROTHERS:—

The Trustees of the High Court beg leave to submit the following report for your consideration:

Balance in hands of Trustees, January 1, 1909.....	$261,406 25
From High Secretary-Treasurer, Emergency Fund..	31,439 15
Net earnings on investments for 1909.....	10,754 83
	$303,600 23

Invested as follows:

First Mortgage loans.....	$142,850 00
Municipal Bonds, cost value.....	148,279 30
Union Institution for Savings, on deposit.....	535 64
Old Colony Trust Company.....	11,935 29
	$303,600 23

Of the total amount in the Emergency Fund, over 22 per cent., or $68,367.51, have been the earnings, and the balance of $235,232.72 has been paid into the Emergency Fund by members of the Order.

The notes on the forty-six mortgages call for $142,850.00; the assessed valuation of the mortgaged property May 1, 1909, was $259,500, and the insurance on the buildings amounted to $188,650.

The Municipal Bonds owned by the Order are divided amongst the cities of Boston, Brockton, Chelsea, Fall River, Fitchburg, Haverhill, Holyoke, Lawrence, Lowell, Lynn, Malden, Melrose, New Bedford, Newton, Quincy, Somerville, Springfield, Taunton and Waltham. The cost value of the several bonds was $148,279.30.

The receipts from January 1, to April 1, 1910, were $3,657.93, making the total amount in the Emergency Fund, April 1, $307,258.16.

Since April 1, there has been received $3,044.28, divided as follows: Interest on mortgages, $1,058.25; net interest on bonds, $1,294.11; interest on daily balances, $71.92, and Emergency Fund from High Secretary-Treasurer, $620.

The total amount in the Emergency Fund in the hands of the Trustees at the time of making up this report, May 20, 1910, was $310,302.44, invested as follows:

Real Estate Mortgages, first liens	$141,650 00
Municipal Bonds, cost value	161,585 30

Old Colony Trust Company	6,531 50
	$310,302 44

The difference in the mortgage loans between December 31, 1909 and May 20, 1910, is accounted for by the payments of $1,200 ($1,000 and $200) on two of the mortgage notes.

The following bonds became due and were paid since January 1, 1910:

City of Holyoke	$7,500 00

City of Malden	1,000 00
City of Boston (less premium paid—$20.00)	2,000 00

City of Boston	$1,006 25
City of Fall River	990 00
City of Pittsfield	986 25
City of Quincy	7,070 00
City of Salem	2,835 00
City of Somerville	2,946 00
City of Taunton	13,065 00
City of Worcester	1,980 00
	$30,878 50

A certified copy of the securities owned by the Order and held in trust by the Treasurer of the Commonwealth, dated February 16, 1910, certifies that all securities are in his possession, as provided by law, except the balance of $11,935.29, which was deposited in the Old Colony Trust Company.

Your Trustees are now negotiating for the taking of a mortgage which will use up the balance now on deposit in the Old Colony Trust Company.

The various estates upon which the mortgage loans have been made were inspected by the Trustees, the High Chief Ranger and the High Secretary-Treasurer during the year and found to be in fairly good condition, and we are of the opinion that the Order is amply protected.

Respectfully submitted,

PATRICK F. BURKE, St. Gregory Court, No. 24,
GEORGE WIRTH, Holy Trinity Court, No. 51,
SAMUEL J. COCHRAN, Hamilton Court, No. 17,

AFTERNOON SESSION.

The afternoon session was called to order at 2.55 o'clock by High Chief Ranger John F. Harrigan.

The High Chief Ranger announced that the first business in order was the election of officers.

The Committee to Receive, Sort and Count Ballots took their places, and all who cared to vote, having voted, the polls were ordered closed.

High Chief Ranger John F. Harrigan at this time introduced Mayor John F. Fitzgerald.

"*Worthy High Chief Ranger, Brother and Sister Foresters:—*

"It seemed rather strange when I entered the hall a few moments ago that you should be in the act of electing your officers. We had an election in Boston last January, and I was very glad when I came into the hall a few moments ago to receive the congratulations of my brother and sister Foresters who live in different parts of the Commonwealth, but nevertheless exhibited a great deal of interest in the election which resulted in placing a member of the Massachusetts Catholic Order of Foresters in the mayoralty chair for a second time.

"I do not know how much has been said about Mr. Leonard, but I never came in contact in all my public career with a kinder gentleman, a man more innately human than he, and in his work in connection with this organization and with the Holy Name parade every one of us, whether Catholic or Protestant, Jew or Gentile, here in the City of Boston remember him with pride, and when thinking of a leader for the parade on Columbus Day this year, he would have been the ideal man for the position. I can speak for the citizens of Boston to whom he was a great personal loss, a man who had given his life practically to the services of his country and the Commonwealth, military services to the United States in the Spanish-American War, fighting for his coun-

try, and as High Secretary-Treasurer of the Massachusetts Catholic Order of Foresters, it seems deplorable that he should be taken away long before his time, but we have all prayed for him, and we know he has met that reward which God gives to men who do their duty as it should be done."

"This Order has been a splendid help to the city in the maintenance of its charitable institutions. I do not know the amount of money that you have given out since the Order was founded, but I know the homes are numbered by the thousands where the benefits of members of this Order have been a solace and consolation, and appreciated by those who know the effects of poverty. Letters telling of unhappiness come to me from mothers with large families whose husbands have died suddenly, every mail brings such stories, and it is powerless for the mayor to do one thing, but fortunately we have organizations like this which through long services of years when a member of the family dies, this one thousand dollars resulting from membership in your Order, and the kindly heart and hand sympathizes with the afflicted, so as the Mayor of Boston, I congratulate you upon being a worthy aid to the family, to the city, and to the State, and I say God speed and prosper you and help you on in your glorious work."

The Committee on Credentials, through Brother James J. Lannigan of Cathedral Court, No. 1, reported 592 delegates present, and that the difficulty in Essex Court, No. 16, be referred to the Deputy of the Court for adjustment, it being the unanimous vote of the Committee on Credentials.

On motion of Brother Cornelius M. Duggan of Neponset Court, No. 180, it was voted that the report of the Committee on Credentials be accepted.

REPORT OF SPECIAL COMMITTEES.

Brother Charles J. Herlihy of Bunker Hill Court, No. 126, reported for the Committee on High Chief Ranger's address, appointed at the last Annual Session of the High Court, as follows:

Your Committee to whom was referred certain recommendations contained in the address of the High Chief Ranger at the last Annual Session, respectfully beg leave to report as follows:

Upon the first recommendation relative to a more special recognition of the women members in the management of the affairs of the order, it was unanimously voted that under the Constitution women are eligible to the same rights and privileges as are the men, and to create any special rights would be construed as class legislation, and as a result might be declared unlawful and unconstitutional, and as a consequence of this your Committee recommend that no action be taken.

Upon the second recommendation that the High Chief Ranger receive some compensation for his services, your committee have considered the fact that the duties of this officer requires his attendance at the Headquarters frequently during the business hours of the day, as under the rule governing payments the High Chief Ranger shall countersign all checks and many of the official documents, as well as the fact that he is the one most called upon to attend subordinate courts, all of which calls for a great sacrifice on the part of this officer. In view of all these facts your committee would recommend that he receive a salary of $500 per year.

Brother Charles J. Herlihy of Bunker Hill Court, moved that the report of the Committee on second recommendation, be

accepted. Motion put and lost, after being discussed by Brother Jeremiah G. Fennessey of St. James Court, No. 54, and Rev. James H. O'Neil, LL. D., of Leo Court, No. 5.

In the absence of Brother Dennis D. Driscoll of Americus Court, No. 34, on motion of Brother James W. Scanlon of St. Philip Court, No. 184, it was voted that the election of Brother John F. Harrigan as High Chief Ranger, be made unanimous.

Motion seconded by Brother Joseph T. Brennan of Americus Court, No. 34.

Brother Patrick E. Murray of St. Philip Court, No. 184, moved that it be incorporated in the previous motion, that the Committee on State of the Order be instructed to report at the adjourned session. Motion put and carried.

Report of Committee to Receive, Sort and Count Ballots.

Brother Thomas F. Haley of St. Francis Court, No. 4, received 48 votes; Brother Thomas F. Kelley of St. Jerome Court, No. 113, 130; Brother George S. Nyhen of St. Lawrence Court, No. 61, 2; John F. Wagner of Holy Trinity Court, No. 51, 41; William H. Thomas of Middlesex Court, No. 60, 56.

On motion of Brother James J. Casey of Cambridge Court, No. 222, it was voted that the report of the Committee be accepted.

There being no choice, Past High Chief Ranger Daniel Cronin suggested that as Brother Thomas F. Kelley had received the

highest number of votes, it might be advisable, in order to overcome the necessity of further balloting, for the other candidates to withdraw. This being done, Brother James P. McCabe of St. John's Court, No. 33, moved that the High Secretary-Treasurer cast one ballot for Thomas F. Kelley of St. Jerome Court, No. 113, for member of the Finance Committee; seconded by Brother George S. Nyhen of St. Lawrence Court, No. 61. The motion being put and carried unanimously, the High Secretary-Treasurer cast one ballot for Brother Kelley, and he was declared elected a member of the Finance Committee.

Rev. Fr. O'Neil, High Chaplain, at this time addressed the delegates advising them of the rules governing the appointment of chaplains of subordinate Courts, and that a special circular would be sent to all Courts relative to the same.

Past High Chief Ranger Cronin then called upon the Corporation Counsel to address the Convention. He responded, speaking of the absence from the Convention to-day, caused by death, of the late High Secretary-Treasurer, Major John J. Leonard, and the feeling of sorrow which possessed all, as he had been a familiar member at Conventions for so many years, and closed by suggesting that the High Chief Ranger appoint a committee to draw suitable resolutions, and that they should be a part of the proceedings of this Convention.

Brother Florence Lawler of Norfolk Court, No. 145, addressed the representatives upon the merits of the Massachusetts Catholic Order of Foresters Home Association, asking the co-operation of the delegates in the movement, urging them to take the matter up with their respective Courts, and to have them appoint a committee to assist in the work.

Johanna V. Doyle of St. Valerian Court, No. 111, being called upon suggested a more quiet hall being secured for the place in which to hold the next Convention, as the days when it required noises to demonstrate our loyalty and patriotism had long since passed, and the requirements of to-day was a place where we might deliberate calmly upon the business we had before us.

On motion of Brother James Scanlan of St. Philip's Court, No. 184, at 7.35 P. M., it was voted to adjourn.

DANIEL H. MAGUIRE,
High Secretary-Treasurer.

Resolutions Upon the Death of Major John J. Leonard, High Secretary-Treasurer of the Massachusetts Catholic Order of Foresters, Adopted at the Annual Session of the High Court, May 25, 1910.

The Massachusetts Catholic Order of Foresters, through its Representatives in Annual Session assembled, place on record this tribute of their appreciation of the personal character and devoted service of Major John J. Leonard, its late High Secretary-Treasurer, whose death occurred on the seventeenth day of November, A. D. 1909.

He was born in Alden, Erie County, New York, in 1856. He came with his parents at the age of 13 years to the city of Springfield, where he lived the greater part of his life. He was always a forceful factor in the civic life of that community, and he served his adopted city with ability and fidelity in an official capacity for a quarter of a century.

His activities in private life, distinct from the performance of his public duties, caused him to receive the cordial commendation of all who came in contact with him. He identified himself actively with every refining and uplifting local effort of a social or public character. There was no worthy cause that did not find in him an ardent champion, whether the call of the great cause of sobriety seeking to mitigate the evils of intemperance, his country summoning him to arms against the enemy from without, or the call of public conscience stimulating a love of civic virtue and producing an ideal of Catholic citizenship.

For more than twenty years he was an honored officer in the military service of the Commonwealth, which he loved so well. In the War with Spain he rendered signal service to the Nation, as the Captain of his company and as the acting Major of his regiment. He was trusted implicitly by his superiors and had the unbounded confidence of the men whom he commanded, both in peace and in war.

He had been intimately identified with the Massachusetts Catholic Order of Foresters for twenty-two years, and was an active, devoted and painstaking member of its High Standing Committee from 1894 to the time of his death. He was elected High Secretary-Treasurer of the Order at the Annual Session

in 1901, and was unanimously re-elected at each succeeding Annual Session. He won the support of the Representatives by his untiring attention to duty, his marvelous method of treating each problem as it arose, and his courteous consideration of every member of the Order.

He brought to the office of High Secretary-Treasurer and its important duties a rare order of ability and the systematic application which was a marked characteristic of his mental habits. He was equal to every position of honor or trust to which he was called, and in each one he rose to the ideal of faithful, patient, consummate service.

His character found expression in his firm but gentle face, his calm, sweet manner, his receptive and considerate attention to all, and in the combination of personal dignity with charming comradeship. He was honest, intelligent, fair-minded, and possessed of rare common sense and a discriminating judgment of what was right and just.

The Church, of which he was an humble member, has lost a devoted son; the community, an upright citizen; the Commonwealth, a loyal soldier; this Order a valuable asset as well as a most efficient officer; and his multitude of acquaintances a true and valued friend.

We regret his demise. We mourn with his bereaved wife and children. We extend to them our sincere sympathy in their irreparable loss. We pray that his soul may rest in peace.

Respectfully submitted,

ANNUAL REPORTS.

The Annual Reports submitted by each Subordinate Court is the official record of the Court and the greatest care should be exercised in seeing that it is correct.

Of the Reports sent to this office for the year 1910, sixty-nine were found to be incorrect, some of a trivial nature, and many of a magnitude that it is difficult to understand how the Committee, whose duty it was to audit the accounts of the Court, could have let them pass without being corrected, and the

attention of Court officials and Deputy High Chief Rangers is called to the necessity of a more rigid inspection of these reports before they are endorsed as being correct.

The balance on hand at the beginning of the year should include all moneys belonging to the Court by whomsoever held. The receipts for the year should include the actual money received from all sources, and in the disbursements the same detail should be had. The balance at the end of the year should be the exact difference between receipts (together with balance at the beginning of the year) and the expenditures. All moneys must be accounted for, whether in bank, in the possession of Trustees, treasurer or other officials, and in no circumstances should money that is owed the Court be included.

TRUSTEES OF THE HIGH COURT.

The Trustees of the High Court have been active and zealous in the performance of their duties in relation to the Emergency Fund and its investments.

During the year the real estate investments were inspected and the owners' attention called to any infractions of the conditions named in the mortgage loans, resulting in a discontinuance of such infractions.

The Massachusetts Legislature of the year 1910 enacted a Law requiring the Insurance Commissioner to have appraised all real estate upon which mortgages were held by fraternal insurance organizations, and that any mortgages which were in excess of sixty per cent of the appraised value should be disposed of. The result of the appraisals upon our Order was that eleven pieces of property were found to be in excess of sixty per cent of the value as placed, this being upon property upon which mortgages have been held by our Order for a number of years, and the changed conditions in the locality had depreciated the value from that which they were, at the time the mortgages were taken. The Trustees have had reductions made in all but three, and these have been withdrawn from the custody of the State Treasurer and arrangements to foreclose are now under way.

The Order holds the receipt of the Treasurer of the Commonwealth for the securities at their face values, representing all

the Emergency Fund, with the exception of mortgages to the value of twelve thousand one hundred dollars and balance of $170.58 deposited with the Old Colony Trust Company.

The Report of the Trustees will be found on pages 31–33.

FAITHFUL COURT OFFICIALS.

In the management of Subordinate Courts the same words of praise and congratulations generally can be repeated this year as in years past. Many of those same Court officers who have served in their official positions for many years still continue to hold the esteem and confidence that the members have in their integrity and ability in the faithful performance of their duties, as each succeeding year finds them occupying the same positions, performing their duties with a fervor and spirit that serves to increase the enthusiasm of the members, rather than to decrease it.

The Order, consequently, is to be congratulated upon having the continued services of these members, brothers and sisters, who have done so much in their several capacities in the needs of this great and growing organization.

Those same names that were contained in the last Annual Report, namely, Treasurers: Daniel J. Carney of St. Joseph Court No. 11, David O'Brien of Mt. Pleasant Court No. 20, William O'Brien of Qualey Court No. 32, Malachi Lennon of St. Joseph's Court No. 38, and Patrick Brady of St. Mary Court No. 43. Recording Secretaries: Dennis Kelliher of Iona Court No. 10, Michael J. Madden of Worcester Court No. 59, and Daniel Frawley of St. Lawrence Court No. 61, may still be found in the roster of Subordinate Court officers.

SUSPENSIONS.

For failure to comply with the provisions of Article XIII, Section 2, High Court Constitution, with reference to the payment of Mortuary Assessments, the High Standing Committee was obliged to suspend but two Courts during the year, and after complying with the other provisions of such Section, the suspended Courts were reinstated by the High Standing Committee.

RECEIPTS OF THE ORDER.

The entire receipts of the Order came from subordinate Courts with the exception of the interest on daily bank balances, and on pages 18–22 will be found a statement of the payments to this office from each subordinate Court on account of the different funds. It is respectfully suggested that the officers and members of each Court study the same closely so as to determine its correctness.

HIGH STANDING COMMITTEE.

The High Standing Committee of the past year have, as had their predecessors, given freely of their time and labor in the performance of their duties, not only in attending faithfully the meetings of the Committee, but in being ever ready to respond to calls to visit Courts and public meetings, and by their presence and words to assist in our upbuilding.

The High Standing Committee has held during the past year sixty (60) regular and special meetings, with an average attendance of seventy-three per cent (73%); in addition they have as members and collectively made five hundred and seventy-two (572) visits to one hundred and ninety Courts, and when it is considered that the High Standing Committee is made up of men who are obliged to work at their trades and business each day, too much credit cannot be given for the sacrifices which they make in giving of their rest at night, and the comforts of home and family, to travel from one end of the state to the other, in order that our Order may progress and increase in usefulness. To individualize would be difficult and perhaps unjust, but exception may well be made in the person of John F. Harrigan, who at the Convention will complete five years of active service upon the High Standing Committee.

Brother Harrigan was elected High Outside Sentinel in 1906, and advanced through the various offices until his elevation to the position of High Chief Ranger. He brought with him that same sound, business judgment that has characterized the conduct of his private interests. His advice has always been for the best interests of the Order, his companionship most congenial, and in his retirement from active duties and official position, will take with him the heartfelt appreciation of his associates

on the High Standing Committee, as well as all members of our Order.

The year 1910 has been the next largest in increase of membership of any in its history, not alone in the matter of applications and initiations has it been one of great success, but there has also been distributed to the beneficiaries of deceased members thirty-four thousand dollars ($34,000) more than was ever distributed in any single year, all of which speaks volumes to our credit, and as we must continue to grow, every member in the Order should realize the responsibilities which are theirs, and to do their share towards its continued upbuilding.

During the year past High Chief Ranger, Timothy B. Reardon, of George Washington Court No. 85, passed away. Brother Reardon served on the High Standing Committee from 1898 to 1905, the last two years as High Chief Ranger of the Order. His activity while a member of the Committee was evidenced by a large increase in the number of Subordinate Courts, and number of members initiated. He was ever ready to respond to a call whereby his advice and presence could do good, and the High Standing Committee of the Order has lost one for whom all had a deep affection and appreciation of work well done.

The MASSACHUSETTS CATHOLIC ORDER OF FORESTERS has a record for honesty, activity and self-sacrificing efforts on the part of all its members. Let it be the earnest endeavor of all that its history of the future will be a repetition of the past. To the members of the High Standing Committee and to all the members of the Order, I tender my most sincere appreciation for the many courtesies which I have received, and hope in return for all of these, I am at least in some small measure deserving.

Fraternally yours.

DANIEL H. MAGUIRE,
High Secretary-Treasurer.

ADDRESS OF REV. JAMES H. O'NEIL, LL.D., CHAPLAIN GENERAL.

SISTER AND BROTHER FORESTERS:

The magnificent reports that will be made to you to-day by the trusted members of the High Standing Committee, elected at the last Convention and which will be found in your Annual Reports, tell us most eloquently of another year of wonderful prosperity of the Massachusetts Catholic Order of Foresters. And so the golden chain has been forged. Each year of our existence has seen us advance. Thirty-two years are as many epochs, one more perfect than the other. Increased membership, accumulation of a great reserve fund, developing of new interests, affiliation with Church extension societies, and the

Catholic Federation Society, have demonstrated that our society is abreast of the times and is adding its force and weight of influence in moulding public opinion and in advancing the temporal and eternal interests, not only to its members, but is far-reaching in all walks of life. Our primary object in organization was to bring mutual life insurance within the reach of those who would otherwise be deprived of the benefit of an insurance policy; we were to unite practical Catholics in the bonds of Fraternity, Unity and true Christian Charity. Ours was to assist the sick and dying and to bury the dead; ours to bring relief to the orphan and widow—*Grand and Noble End*—God blessed, the extent of which man will never know. Its influence has been felt by hundreds of thousands. To-day the State of Massachusetts is watching you delegates and praying that the good work begun 32 years ago will be continued, increased and magnified. The past year has been a grand one; never have been seen such attendance at the Court meetings; never such enthusiasm, such interest. This we may trace directly to our beloved Archbishop, the Most Rev. W. H. O'Connell, who appointed Chaplains to each Court and arranged and directed a series of addresses to be delivered in every Court of the Order. His masterly hand directed and your ready obedience to his requests brought to our organization a live, active interest which operated to the good of all. And here I cannot refrain from quoting of his address, delivered in Fanueil Hall, one year ago: "Your order is managed and directed by sensible and practical men, and there can be no greater proof given than in the present standing of your Society. Its growth in material prosperity, its growth in security, in the character of the membership, its growth in its noble position in the State. Each step it makes forward means an advance in spiritual and temporal happiness of our Catholic community. I wish every Catholic who possesses the necessary qualifications in this State would give their name and yearly contribution as members of the Massachusetts Catholic Order of Foresters. This organization has a secure and safe basis; it is no idle dream, no mere Utopia. It is the practical working out of a sensible plan whereby the spiritual and material welfare of each of you is furthered and fostered. You have the Church to guide you, and honest, sensible men to lead you. Be true to your principles as Foresters, and

you cannot go astray." Such is the eloquent opinion of the leader of Catholic thought and activity of New England; from such a source his weighty words should bring conviction. His testimony of our worth and the good that this Order has done, his burning words of approval, should bring conviction to the hearts of all thinking men and women. If I may be permitted, I will call your attention to his last sentence: "Be true to your principles as Foresters, and you cannot go astray." The principles of Faith, Unity and True Christian Charity, the principles of the grand old Unity of Faith, which brings us as a body to God's Altar, where unity of Sacraments and sacrifice weld our hearts as one; unity of Charity, which in the history of this organization has found external manifestations in the untold, unrecorded numberless acts of alms, deeds and philanthrophy which gild the pages of our history for the past 32 years. Unity of action, unity of thought have blessed our endeavors, and unity of love has consecrated it. Be loyal Foresters; be faithful to the Constitution that binds you and to the sacred promises that you made when you entered these ranks.

The fidelity of your High Standing Committee, true, honest and self-sacrificing men all, unceasing in their labors to advance your best interests, will be your model.

The fidelity of your Chief Rangers and the many individual members of this organization, has brought to it the admirable social, financial and numerical conditions which mark our Thirty-second Convention.

To-day we begin a new year; it will be what we make it. Fidelity of the individuals composing this organization, the labors which they will exert and the results which they will obtain, will, we pray, be in keeping with the glories of the past. Thus year by year our members growing, our influence spreading, our loyalty to our Holy Father and our Ecclesiastical Superiors our zeal for all that goes to elevate and educate our people, will bring to us as ever in the past, the unqualified approval of those whom God has appointed for our directors and the Blessings of the loving God.

ADDRESS OF JOHN F. HARRIGAN, HIGH CHIEF RANGER,

To the Thirty-Second Annual Convention of the Massachusetts Catholic Order of Foresters,

May 24th, 1911.

Sister and Brother Foresters:

Another year has run its course and no interruption has been recorded in the prosperity of our noble Order, so it is with no ordinary gratification in presenting my report to you, members of the High Court, at this our Thirty-Second Annual Convention, upon the very substantial progress made during the year, as at no time in our history have we had greater cause for mutual felicitations for the condition and prospects of our society than at the present.

The year just past has proved to be one of much practical success, and has without doubt established a well grounded confidence that what has been achieved in the past is a sure earnest of what is to be our history in the future. Each new year in the life of our organization serves to strengthen the conviction that we have become a great necessity among the Catholic people. Little did our noble band of incorporators, Brothers Dennis F. O'Sullivan, Humphrey H. Sullivan, Florence A. Lawler, Jeremiah G. Sullivan, James Lanigan, Michael Edmonds, Joseph Stewart, Thomas Ray, William Cook and John McLaughlin, know what an institution of Charity they had formed and what a monument to themselves had been erected.

During the year we have admitted into our Order 2,823 new members, which, with a membership of 29,849, January 1st, 1910, made a total of 32,672, and with a loss of 333 by death, and a suspension and resignation loss of 453, left us with a membership January 1st, 1911, of 31,886, a net gain during the year of 2,037. Splendid showing though it is, still with the record which our Order has made in its thirty-two years of existence, with the unqualified sanction and endorsement which it has continuously received from the hierarchy and Clergy of the Church for work well done, with the consciousness which each member of the Order has that it is safe, sound and worthy, our net gain should be much greater, and I entreat you delegates when you

return to your Courts and homes, go with a determination that greater results will be accomplished in the future than in the past, and each of you will be doing your part in the upbuilding of our great organization.

Not alone in the increase of membership has the year been one of success, but also in the financial condition of our Order has great progress been made. The Mortuary Fund has not only been sufficient to pay all demands made upon it, in the payment of $328,000 in mortuary benefits, but has been increased to the extent of fifteen thousand dollars ($15,000.) During the year the assessment for the General Fund was ample for the payment of all expenses for the management of the Order, and the Reserve or Emergency Fund, that bulwark and safeguard of the future, has increased so that January 1st of the present year it amounted to over $350,000. A gain for the year of over $47,000, and with the bright outlook before us it will be but a short time when it will be increased to $100,000 each year. Let us not relax in our endeavors, to so increase this Reserve Fund to an extent that will place beyond doubt, the stability of our Order for all time to come.

DEPUTY HIGH CHIEF RANGERS.

The work of the Deputy High Chief Rangers during the year has been a source of satisfaction to the High Chief Ranger and to the High Standing Committee, for the active interest they have taken and the manner in which they have performed their work. Contentions will always arise wherever there is a body of men and women associated together. Happily the past year has seen but few of these, and the manner in which the Deputies have handled them has necessitated but few appeals from their decisions, and as a consequence discord has been avoided and harmony has prevailed. I would impress upon the Deputy High Chief Rangers a more strict and rigid inspection of the books and accounts of all financial officers. Errors will occur, and the Deputy who is attentive to her or his duty will discover them when they are of but recent origin and at a time when they can be corrected and adjustment made. Make your inspection then complete and thorough at the end of each quarter as required by the Constitution.

DEGREE STAFFS.

It has been a source of extreme pleasure to see the interest which has been taken by the members of Degree Staffs in assisting at installations and initiations. Too much credit cannot be given to those who have by the sacrifices which they have made in so preparing themselves that they would be a credit to the Courts which they represent and to the Order, and the edification of the thousands who witnessed their evolutions, and as a consequence became interested in the work which our Order was doing, and many of whom became members. I most heartily sanction and endorse this feature of our Ritual, and trust that under proper restrictions it will continue.

NEW COURTS.

During the year fourteen new Courts have been instituted, with a total membership of 266, which has been increased so that the combined number of members in these Courts January 1st of the present year was 455. Of this gain 55 were of members transferred from other Courts, leaving the net gain of the Courts from the time of institution to January 1st, 134. The average age of membership in the new Courts at the time of institution was 31 years and eight months. A Subordinate Court of our Order should be in every city and town in Massachusetts. I urge you, Sisters and Brothers, look through the localities in the vicinity of your homes where no Court exists, ascertain and make known the prospects for the formation of a Court to the High Standing Committee, and they will co-operate with you, and the result may be added links to our well forged chain.

HIGH CHIEF RANGER.

As the Order has increased in numbers and importance, so has the duties of those selected to govern its affairs. We must remember it is no longer a body of 340 men as at the beginning, but to-day is an organization of nearly 33,000, and as a consequence requires more time and sacrifices on the part of the governing body, and particularly upon the High Chief Ranger does the burden fall. His duties require that in addition to attend-

ing meetings of the High Standing Committee he shall sign checks, documents of various kinds, attend meetings of the Trustees, assist in the inspection of property, and by virtue of his position is the one most called for in visiting Subordinate Courts. I ask of you, therefore, to consider the sacrifices he is obliged to make, and as to whether or not we are doing justice to the High Chief Ranger in asking him to do this without remuneration. I would recommend that some fair amount would be appropriated as compensation to him.

HIGH STANDING COMMITTEE.

I return my thanks to the members of the High Standing Committee for the many kind words of advice and valuable assistance they have given me during my term of office, and for their earnest, honest, brotherly support in all things tending to the welfare and advancement of our Society. I feel it my especial duty to say one word of praise in particular for three of the members of the Committee: To Rev. Fr. O'Neil, our Chaplain-General, who on many occasions has given of his counsel, advice that has been wise, just and prudent, and always of a nature that had for its effect a broadening in the mind of those Cardinal virtues on which we are founded, UNITY, FRATERNITY AND TRUE CHRISTIAN CHARITY.

The Medical Department, under the efficient administration of Dr. Francis J. Hanley, is fast approaching to the stage of perfection. During his incumbency of the office many changes for the good of the Order have been inaugurated, forms of application blanks and examinations have been improved, systems of investigation have been instituted, so that to-day our Medical Department compares most favorably with that of any fraternal organization, and it should be the sincere wish of all that his services would be retained for many years to come.

Words of mine are inadequate to compliment our High Secretary-Treasurer, Daniel H. Maguire, in his administration of the affairs of his office. During his first year, with many obstacles to overcome, he has, if I may be permitted to use the vernacular of the day, "made good." He is not only a financier, a business man and orator, but a man who can represent you in any position in which he may be called.

In conclusion, I must confess my sincere regret in leaving my colleagues of the High Standing Committee. They are men of honor, honesty and integrity, possessed of good sound business judgment; outspoken in their opinions, and at all times actuated by the best of motives. To my successor I will hand down the duties and responsibilities of my honored office and pray that he may be blessed with good health and strength to carry on our noble work. To you, delegates, I tender my most sincere and heartfelt thanks and through you to the members of the Subordinate Courts for the honors conferred upon me and for the many courtesies shown by you and them on the many and various occasions of the past.

On motion of Brother Daniel H. Maguire of Merrimac Court, No. 72, seconded by Cornelius M. Duggan of Neponset Court, No. 180, it was voted that the report of the High Chief Ranger as read be received and its recommendations be referred to the Committee on State of the Order.

REPORT OF FRANCIS J. HANLEY, M. D., HIGH MEDICAL EXAMINER,

At the Thirty-Second Annual Session of the High Court of the Massachusetts Catholic Order of Foresters,

Wednesday, May 24, 1911.

Sisters and Brothers:

The purpose of our assembling to-day is that we may hear the reports of those whose duty it is to fulfil the important tasks assigned them, that we may give serious consideration to the recommendations made, and that we may act intelligently for the highest interests of our great organization, and especially for its future growth and prosperity.

In line then with the foregoing, and with a conviction that our Order has been faithfully served and safeguarded, the annual report of the Medical Department is respectfully submitted. The valued assistance of our Medical Examiners in the performance of their important duties is a cause for con-

gratulation, for without the co-operation and personal interest of the local examiners, much that we all desire could not be obtained. Permit me to state that we are favored by having in our Medical corps men and women able and devoted to their work.

Except for unavoidable reasons changes are not made in the personnel of our examiners, and when necessary, the new appointments are made only after careful investigation as to ability and integrity. In this way we can best have the work continued according to the standard followed by our oldest and most experienced examiners, and moreover, be in a position to offset the habit which some members have of taking advantage of and attempting to instruct in their duties the new appointees. Criticising the work of Medical examiners and advising applicants to refuse to go to be examined by the local examiner, seems to be almost a habit with many members. This practice certainly deserves the severest censure, as it tends to create a condition that in many cases works to the detriment of both the applicant and the Order. The Medical Examiner is rarely the unanimous choice of the members of any Court, but, nevertheless, should receive their full support and assistance regardless of any petty personal feelings. Where the most cordial relations exist the best results are obtained.

The mortuary record for 1910 was 333. Two hundred and sixty-three men and, and seventy women.

The most critical time in the life of Fraternal Organizations is that period when, after years of active usefulness, members on account of old age are passing away. That we have entered upon that period is plainly shown by a careful study of the Mortuary Benefit Table as prepared by the High Secretary-Treasurer, which shows that practically fifty per cent. of the deaths during the year 1910 occurred were in the case of members over fifty years of age. Each year we must be prepared to meet a high ratio of deaths amongst our older members. Having met without inconvenience all of our obligations in the past, due to the fact that this problem was forseen and provided for, it is now our duty to look to the future with a sense of equal care and responsibility. Right here it is well to point out that members acting as investigators ean render great service by safeguarding the future of our organization. If the individual member would but realize that, after all, our success is due largely to individual effort, that seriousness, so prominently absent from the work of investigation committees would not be so marked.

EARLY DEATHS.

Our death rate among members who have been less than two years in the Order is two more than last year. This year we have had SEVENTEEN deaths in this class.

TABLE NO. 2.

	Men	Women	Total
Tuberculosis	1	4	5
Pneumonia	3	1	4
Strangulated Hernia	0	1	1
Cancer of Lung	0	1	1
Nephritis	0	1	1
Fracture of Skull	1	0	1
Ruptured Appendix	1	0	1
Diabetes	1	0	1
Myelitis	1	0	1
Typhoid Fever	0	1	1
	8	9	17

Of these early deaths eight occurred in members less than one year in the Order. Three of these were caused by Pneumonia of only a few days duration. One was caused by Typhoid Fever, one by Appendicitis, and one by acute Nephritis following a severe attack of Pneumonia. Of the remaining two, one was caused by a complication of Childbirth, the other, according to cause given, was from Cancer of the Lung following an injury seven months previous to the death.

Nine deaths occurred in members between one and two years in the Order. Five of these, four women and one man, were caused by Tuberculosis in the acute form, the duration of illness being from four to ten months. An interesting fact concerning these cases is that in none of them was there any hint of Tuberculosis in the family history. From the special reports received from the examiners and attending physicians, we have every reason to believe that all of these persons were in good health when admitted to membership.

Of the remaining four one was a man accidentally killed, one a woman 41 years of age, a member for one year and six months, who died of Pneumonia, another, the result of Diabetes, was a man 50 years of age, a member one year, three months and eighteen days. The duration of illness was six months. The fourth was a man 50 years old, a member one year and ten months, who died of Myelitis, a disease of the spinal cord, and was ill four months.

As in past years, we desire to express our appreciation to the Medical Examiners and attending physicians for their prompt and courteous reports in cases of early deaths.

REJECTIONS.

During the year 1910, 3318 applications for admission to our Order were received at this office. Of this number 487 were either rejected or postponed.

	Men	Women	Total
Age above limit	20	26	46
Diseases of Heart	42	34	76
Personal Condition	38	50	88
Family History	22	22	44
Diseases of Kidneys	30	15	45

Diseases of Lungs	14	15	29
Alcoholic Habits	12	1	13
Refused to Complete Examination	1	2	3

Fair Risks	2	1	3
Hazardous Occupation	9	0	9
Refused Vaccination	7	1	8
Doubtful Statements	24	34	58
Postponed	6	5	11
Investigation Committee	2	1	3
Arterio Sclerosis	4	0	4
Pelvic Disease	0	1	1
	249	238	487

It is pleasing to note that the number of rejections on account of age limit is much smaller than usual. We can see no good reason why, with the exercise of proper care on the part of proposers, there should be any rejections from this cause.

The number of rejections on account of doubtful statements, which means a deliberate misstatement of facts by applicants, was fifty-eight, ranking third as the cause for rejection. Proposers should inform applicants that a thorough investigation

is made not only by the Investigating Committee appointed by the local Court, but also from headquarters, and that gross misstatements concerning age, occupation, habits, family or personal history always means rejection.

The large number of these cases and the fact that we cannot wholly depend upon the Investigating Committee reports, have resulted in a more careful investigation from headquarters, and consequently some delay in the handling of applications.

We have recently arranged to notify the Courts when applications are held up, so that officers may know the reason. We have also arranged to notify the Court and the applicant when, for reasons, we wish the applicant to wait a limited time before acceptance. In this way a rejection will not be recorded in these cases, which will stand on the record as postponed until final action is taken.

A strict medical examination and proper regard for the rules in other respects always render it unpleasant for those who fail in the necessary requirements for membership, and tend to make the percentage of rejections apparently large. Yet the Order must be considered above all, and the reputation of doing business on safe and sound business principles maintained.

Therefore, we would again remind the members that rejections are made only in the interest of the Order, and so endeavor to discourage the practice of calling at headquarters to ascertain the cause of rejections.

For the last two years the attention of the delegates and through them of our entire membership has been called to the necessity of solving, in some measure at least, that problem relating to members who adopt hazardous occupations within a short time after admission to our Order. While we are unable to give any definite statistics on this question, we feel safe in stating that it has an important bearing on the death rate. This year an amendment is submitted which will cover this class of risks, and I consider it to be my duty to urge you to give it your careful consideration.

We are all proud of the splendid record of this great Fraternal Organization, and are determined even upon its improvement. Let each one do the part that is given him to do, and

working in conjunction and harmony with the High Standing Committee, there can be no question that the future will show us a larger, more prosperous and more effective Massachusetts Catholic Order of Foresters.

Respectfully submitted,

FRANCIS J. HANLEY, H. M. E.

REPORT OF HIGH STANDING COMMITTEE.

The following report was read by High Secretary-Treasurer, Daniel H. Maguire:

To the High Standing Committee of the M. C. O. F.:

DEAR SIRS AND BROTHERS:

At the Thirty-First Annual Convention, held in Boston, May 25th, 1910, the following was submitted by the Committee on Constitution: Amend Article 13, Section 8, High Court Constitution, page 26, by adding at the end of said section the following sentence:

It shall recommend to the High Standing Committee that an expert accountant or accountants be selected and appointed at each Annual Session to examine the books of the High Standing Committee, the Finance Committee, and the Trustees at least once each year, and to report thereon at the next Annual Session.

Presented by Middlesex Court, No. 60.

Voted that this Amendment be referred to the next Annual Session, with the further recommendation that the plan provided herein shall be adopted by the High Standing Committee upon the recommendation of the Committee on Finance, for the year ending Dec. 31st, 1910, with a report thereon at the next Annual Session for recommendation by the Finance Committee.

The Finance Committee, after carefully considering the above recommendation, beg leave to report that the present system

of bookkeeping is comprehensive, the various accounts of the Order are kept in excellent form, and with the careful and complete audit given them quarterly, we feel that the employment of an expert accountant or accountants yearly is not necessary, and an unwarranted expense on the Order under present conditions.

Signed by:

JOSEPH J. FORRESTER,
THOMAS F. KELLEY,
ANNIE F. SULLIVAN,
Committee on Finance.

And in pursuance of the above, it was voted that the recommendation of the Finance Committee be accepted and adopted, and that this resolve be reported to the Convention.

Brother John T. Callan of Leo Court, No. 5, moved that this report be laid over and come under the head of "New Business." Brother William J. Kelley of SS. Peter and Paul Court, No. 15, offered an amendment to Brother Callan's motion that the report of the Committee be accepted. Brother Callan objected to the amendment. The report of the High Standing Committee, on motion of Brother John T. Callan of Leo Court, No. 5, seconded by Brother Matthew J. McDermott of Fr. Fitton Court, No. 200, and James D. Grant of St. John Court, No. 23.

The Committee on Credentials, through Brother John McGrath of St. Jarlath Court, No. 75, reported for the Committee as follows: The High Court is entitled to 646 representatives, representing 234 Subordinate Courts. The Committee find that there are 535 representatives present.

On motion of Brother David F. Roche of Merrimac Court, No. 72, the report of the Committee was accepted as progressive.

ST. FRANCIS COURT, No. 4, M. C. O. F.

MEETING MAY 3, 1911.

RESOLVED: That the High Standing Committee be instructed by the Annual Convention to formulate a plan to reduce the Representatives to the Annual Convention and cause an amendment to the Constitution to be made for same previous to the 1st of February, 1912.

PETITION OF FITZPATRICK COURT, No. 13.

To the 32d *Annual Session of the High Court, M. C. O. F.:*

PETITION: "To assist in the great work of Catholic higher education, and to enable the sons of any member of the Massachusetts Catholic Order of Foresters to get a thorough education, Fitzpatrick Court, No. 13, of East Boston, unanimously voted to petition the High Court assembled at its 32d Annual Session of the Order to vote for the establishment of a scholarship at the new Boston College to be known as the "M. C. O. F.

Scholarship," in memory of the late Major John J. Leonard, who so faithfully served the Order for many years.

Such a scholarship in the new college, giving a complete High School and College course, will cost $2,000, and after the completion of the course the student upon receiving his degree may choose for himself what profession to adopt.

To gain the scholarship, the applicants, who must be male children of members of the Order, shall enter into a competitive examination, to be conducted by members of the faculty of Boston College, the one receiving the highest percentage shall be declared entitled to the full benefit of a High School and College course.

That the sons of our members should be given a chance to obtain a thorough Christian education, through the generosity of the M. C. O. F., and that in grateful recognition of the splendid service rendered by the lamented Major John J. Leonard, we should perpetuate his memory in some substantial way, is the unanimous opinion of Fitzpatrick Court, and as to the formulation of plans, etc., necessary for the establishment of such a memorial it leaves to the public spirit, loyalty and good sense of any committee the Convention may suggest.

Fraternally yours,

JAMES CULLINANE,
Chief Ranger of Fitzpatrick Court, No. 13, M. C. O. F.

EAST BOSTON, MASS., May 19, 1911.

Wagner of Holy Trinity Court, No. 51, moved that this communication be referred to a special committee of five to be chosen by the High Chief Ranger and report to this Annual Session. This motion was lost and, on motion of Brother James D. Grant of St. John Court, No. 23, seconded by Brother Christopher J. Fay of Fitzpatrick Court, No. 13, it was referred to the Committee on Petitions.

The report of the Trustees of the High Court was presented by the Chairman, Brother Patrick F. Burke, of St. Gregory Court, No. 24.

REPORT OF THE TRUSTEES OF THE HIGH COURT.

The notes on the fifty-one mortgages call for $156,900.00; the assessed valuation of the mortgaged property May 1, 1910, was $300,300.00, and the insurance on the buildings amounted to $223,150.00.

The Municipal Bonds owned by the Order are divided amongst the cities of Boston, Brockton, Cambridge, Chelsea, Chicopee, Fall River, Fitchburg, Haverhill, Holyoke, Lowell, Lynn, Malden, Melrose, New Bedford, Newburyport, Newton, Pittsfield, Quincy, Salem, Somerville, Springfield, Taunton and Waltham. The cost value of the several bonds was $192,490.15

Since January 1, 1911, the Order purchased a $5,000.00 City of Lynn Bond, the cost price of which was $4,681.25.

A certified copy of the securities owned by the Order and held in trust by the Treasurer of the Commonwealth, dated January 16, 1911, certifies that all securities are in his possession, as

provided by law, except the balance of $170.58, which was deposited in the Old Colony Trust Company, and mortgages to the value of $12,100, deposited in the safe deposit vaults of the Federal Trust Company.

Of the three mortgages to the value of $12,100, which were withdrawn from the custody of the State Treasurer during the year 1910, payments have been made on the principals of two, and the property situated at 98 Howard Avenue, Dorchester, was seized and sold at public auction for $5,725.00; $300.00, on account being paid at time and place of sale, the balance to be paid within thirty days. The requirements were not lived up to, the Three Hundred Dollar payment being forfeited and the property is again advertised to be sold.

The various estates upon which the mortgage loans have been made were inspected by the Trustees, the High Chief Ranger and the High Secretary-Treasurer during the year and found to be in fairly good condition, and we are of the opinion that the Order is amply protected.

Respectfully submitted,

Brother P. Sarsfield Cunniff of Middlesex Court, No. 60, reported for the Committee on State of the Order as follows:

REPORT OF COMMITTEE ON STATE OF THE ORDER.

Sister and Brother Foresters:

The report of your High Chief Ranger contains the following recommendation which has been referred to this committee for consideration:

HIGH CHIEF RANGER.

As the Order has increased in numbers and importance, so has the duties of those selected to govern its affairs. We must remember it is no longer a body of 340 men as at the beginning, but to-day is an organization of nearly 33,000, and as a consequence requires more time and sacrifices on the part of the governing body, and particularly upon the High Chief Ranger does the burden fall. His duties require that in addition to attending meetings of the High Standing Committee he shall sign checks, documents of various kinds, attend meetings of the Trustees, assist in the inspection of property, and by virtue of his position is the one most called for in visiting Subordinate Courts. I ask of you, therefore, to consider the sacrifices he is obliged to make, and as to whether or not we are doing justice to the High Chief Ranger in asking him to do this without remuneration. I would recommend that some fair amount would be appropriated as compensation to him.

Your Committee having carefully considered the matter is of the opinion that the recommendation of the High Chief Ranger shall be adopted by this Convention, that a salary of $500 per annum be paid the High Chief Ranger, to be taken out of the "General Fund."

That said recommendation shall go into effect with the incoming administration.

Respectfully submitted,

HUGH MONTAGUE,
WILLIAM J. SULLIVAN,
MRS. CATHERINE C. GRADY,
MISS MARY E. DIGAN,
MISS BESSIE MCCUGH.

To the foregoing report and the recommendation contained therein, I respectfully dissent, and recommend that no further action be taken at this time.

Respectfully submitted,

P. SARSFIELD CUNNIFF.

RESOLUTIONS UPON THE DEATH OF TIMOTHY B. REARDON, PAST HIGH CHIEF RANGER OF THE MASSACHUSETTS CATHOLIC ORDER OF FORESTERS, ADOPTED AT THE ANNUAL SESSION OF THE HIGH COURT, JUNE 1, 1911.

Whereas, God in His wisdom has seen fit to take from our ranks our beloved and esteemed Past High Chief Ranger Timothy B. Reardon and

Whereas, Brother Reardon had for many years devoted his time and energy to the upbuilding of our Order and advancement of its members, Therefore be it

Resolved, By the High Court of the Massachusetts Catholic Order of Foresters through its representatives in Annual Session that we realize the great loss which our Order has suffered in the death of one whose motto in life was:

"If by one word I help another,
A struggling and despairing brother
Or ease one bed of pain:
If I but aid some sad one weeping,
Or comfort one lone vigil keeping,
I have not lived in vain."

Resolved, That in his death we have lost the services of a valiant leader and a devoted member;

Resolved, That while we sincerely regret his loss as Foresters, we are not unmindful of the greater grief his death has brought to those most dear to him on earth; to his widow and children we extend our deepest sympathy in their bereavement, for a loving husband and kind father we unite with them in praying, "Eternal Rest grant unto him, O Lord, and let Perpetual Light shine upon him."

DANIEL A. CRONIN,

ANNUAL REPORTS.

The Annual Reports submitted by each Subordinate Court is the official record of the Court, and the greatest care should be exercised in seeing that it is correct, I am pleased to say that it was necessary to return a much smaller number this year for correction than the year before, the most amazing feature being the delay in forwarding to this office, official notices of suspensions and withdrawals by Recording Secretaries of Courts. It should be

understood that these notices must be forwarded promptly in order that the official register of each Court may be kept absolutely correct.

In compiling Annual Statements, financial officers are reminded, and Deputy High Chief Rangers and Auditing Committees must insist that the financial year begin January 1st and close December 31st each year, and not have the year's accounts carried on to the time of installation of new officers. It is only by strict adherence to this law that report of receipts at this office of the various payments by Subordinate Courts will correspond with the Annual Statement of the Court. All moneys must be accounted for, whether in bank, in the possession of Trustees, or any other official or Committee; every member of a Court being entitled to know the exact financial situation.

TRUSTEES OF THE HIGH COURT.

The Trustees of the High Court have been active and zealous in the performance of their duties in relation to the Emergency Fund and its investments.

The annual inspection of real estate upon which mortgages are held was made during the year, and instructions given for improvements and repairs to be made where necessary, and payments to be made where it was found there was a depreciating tendency in the value of the property.

Foreclosure was made of the mortgage held on property situated No. 98 Howard Avenue, Roxbury. This mortgage was taken by the Order in 1901, the property at that time having an assessed value of $8900.00. The changed condition in the locality having depreciated the value, we were not able to obtain at the auction a price sufficient to cover the equity which the Order held, and as a consequence it was bid in by the Corporation Counsel, in the name of and in behalf of the Order. It has been repaired and is now on the list of Real Estate Dealers, and it is expected a price will be obtained which will free us from any loss.

The Order holds the receipt of the Treasurer of the Commonwealth for the securities at their face values, representing all the Emergency Fund, with the exception of Mortgages to the value of ten thousand nine hundred and fifty dollars ($10,950.00) and a balance of one thousand nine hundred fifty nine dollars

and twenty one cents, ($1,959.21) deposited with the Old Colony Trust Company.

The Report of the Trustees will be found on pages 30–32.

FAITHFUL COURT OFFICIALS.

The entire Order itself and many Subordinate Courts in particular are fortunate in retaining the services of many financial officers who have occupied these positions of trust for many years. The members of these Courts realizing the absolute necessity of having tried and true sisters and brothers in charge of their finances keep electing them year after year which is in itself a mark of esteem and recognition of work well done.

During the year just closed two Recording Secretaries died; one of whom, Cornelius J. Lynch, had been Secretary of Erin Court, for twenty-five years, and Michael J. Madden, Secretary of Worcester Court for a like period. Both were faithful officials and highly respected, and their lives were like their records, without spot or blemish.

PAYMENTS TO THE HIGH COURT.

A marked improvement has been manifested during the past year in the payment of Mortuary Calls by Subordinate Court Treasurers, and it is hoped this same condition will continue to prevail. Complaint has been made by some treasurers where there has been delay in forwarding the Call, that the Financial Secretary had neglected sending the statement, and the attention of those officials is called to the importance of that part of their duty.

RECEIPTS OF THE ORDER.

The entire receipts of the Order came from Subordinate Courts with the exception of the interest on daily bank balances, and on pages 17–21 will be found a statement of the payments to this office from each Subordinate Court, on account of the different funds. It is respectfully suggested that the officers and members of each Court study the same closely so as to determine its correctness.

HIGH STANDING COMMITTEE.

The same words of praise for loyalty and devotion to duty can be said for the members of the High Standing Committee as has been said of their predecessors. They have been ever ready and willing, even at great personal sacrifices to themselves to respond to calls to visit Courts, and public meetings, that by their presence and words our Order might grow and prosper.

The High Standing Committee has held during the past year forty eight (48) regular and special meetings, with an average attendance of 81.7%; in addition they have as members and collectively made five hundred and seven visits (507) to 182 Courts, and in view of the large amount of sacrifice which this entails, with no recompense except the self satisfaction which each member of the Committee feels that by their efforts *IN PART AT LEAST*, the Order has grown in numbers and usefulness.

All have done their duty and with no intent or desire to detract from the merits due all, I trust pardon may be granted in making particular mention of our worthy High Chief Ranger, brother Cornelius M. Duggan, who at the 33rd Annual Session will complete five years of active service on the High Standing Committee. He was elected High Outside Sentinel in 1907 and advanced through the various offices until he was elected High Chief Ranger in 1911. He has given willingly of his time and talent in the upbuilding of the Order, his daily employment being of an exceptional laborious character, yet he has never refused or hesitated to go wherever he might be of service to the Order, and in his retirement from official cares and duties he takes with him the most heartfelt good wishes of his associates on the High Standing Committee, and all members of the order.

The year 1911 has not closed with as large an increase as it was hoped it would, there being a net increase of 1,797, as compared with 2,037 in 1910. It should be the earnest endeavor of every member of the Order to take an active interest in its growth, which is an absolute necessity in a Coöperative Insurance Organization, such as ours. Unless this is done, with the advancing age of our older members, the death rate will increase, and there should be each year an increase of sufficient members, and they should be of an age enough below the average age of the Order, so that the percentage of deaths would be kept, where the number of assess-

ments which have been levied for the past number of years would be sufficient to pay all Mortuary Claims.

During the year there was paid in Mortuary Benefits over $34,000 more than was paid in the previous year, and it must be a source of great satisfaction to the members of the Order in realizing the great amount of good done by the distribution of $362,659.55, an amount nearly equal to $1,000.00 for each day of the year, and as we hope to continue in this magnificent work, let every member of the Order know and realize their responsibilities, and the result will be that when we of this time, shall have passed away, the Massachusetts Catholic Order of Foresters will still be found increasing its numbers, increasing its loyalty to one another, and increasing its scope for doing good deeds and good work.

With sincere thanks to my associates on the High Standing Committee, to the Deputy High Chief Rangers, and to the officers and members of Subordinate Courts for their many acts of kindness, I am,

Fraternally yours,

DANIEL H. MAGUIRE,
High Secretary-Treasurer.

ADDRESS OF
REV. JAMES H. O'NEIL, LL.D., HIGH CHAPLAIN.

Fellow Delegates, Sister and Brother Foresters:

The yearly occurrence of our Convention marks an epoch in our great order. For 33 years you have met to discuss and consider the various questions which are ever arising, where so many interests are concerned.

Delegates in the past have wisely disposed of all questions and bravely met all difficulties arising. The result is that your

organization possesses a constitution and code of by-laws, second to none in the world.

You to-day will take up your share of the burden. Your deliberations, your words, will be added to the records of the past. It is for you to attend and see that nothing shall be done to mar the glories of the past. You are a wise conservative body, the choice of nearly 40,000 people who place their interests in your hands.

The interest of the orphan and the widow is at stake. Your life insurance is at stake. The stability and perpetuity of the Order is at stake. You are all stockholders in a vast business proposition; yearly you are making deposits of your money to the end that your dependents may not suffer. That your mothers, fathers, sisters, brothers and children may not know want. That after the bread winner of the family has passed to God, their dependents may not fall victims to public charity. During the past 33 years you have expended in this way over $4,113,000.00 and you have directly benefited 25,000 individuals. Such is your organization as a business proposition. Is this all? No! You are Catholic ladies and gentlemen with all that the word Catholic signifies. Members of that grand old faith which extends from Peter and Cletus and Anecletus to our present beloved Holy Father Pius the 10th. Of that Faith which has been a beacon light through all ages of the Christian world. Of that faith by whose teachings you are brought to the altar of God, where in unity of prayer and sacrifice you adore the living God. Unity begets fraternity and charity is the golden link binding them together. You are united, you are one in faith believing what God has taught and what the great Catholic Church proposes for your belief; one in hope of eternal life and all things necessary to attain to it; one in the practice of the virtue of benevolence which must necessarily stamp the loyal Forester. What a vast field of reflection is here open to us. Do you realize it? The combined efforts and labors of this organization have accomplished results which are to say the least startling. Your scholarship in Brighton Seminary, educating the youth to the service of God's altar; your services to the widows and the orphans of the State of Massachusetts; your efforts in the education and the uplifting of the Catholic people of this community have stamped the Massachusetts Catholic Order of Foresters as being fruitful

and prolific in the broad fields of humanitarianism. "By their labors you shall know them." By our labors we have won the appproval of men, the sanction of our Cardinal leader and the blessing of the Living God.

Were we content to rest on laurels won and victories gained, our task would end here; but there is a future before us, and stimulated by our past achievements, encouraged by blessings and the good will of our ecclesiastical superiors, we press on in these good works. Victory must ever perch on the banner of labor. If the future of our great organization will be written in characters of gold, indelible, if success shall be ours, it must come through our united efforts. No one man, or body of men, be they from the rank or file, or high officials, may hope to bring success. Only when every individual member of our organization, appreciating their worth with loving zeal, takes upon himself his individual portion of this great labor, only by the united and concentrated act of all delegates, individual members and officials, only then shall be brought about that measure of success that has attended our efforts in the past, and which shall be our crowning glory in the future. Take home to your various courts these sentiments and take with it also the demand of your Cardinal prelate, expressed through your Chaplain, that you be loyal Foresters. Loyal to the true Christian faith; loyal to your Forester unity and fraternity; loyal to one another; loyal to yourselves. Preserve this loyalty in your hearts, express it in your daily lives, in your coming and your going, in your words and in your efforts and in your acts, it will bring as in the past, blessings of the Living God.

Recording angels have written in the book of eternal life our deeds of charity, unknown to the world. The same angelic records will record our to-day's resolutions, that by the Grace of God our course shall be upwards and onwards in the great cause of Catholicism. I may not close these few words without expressing to you my appreciation of the members of the High Standing Committee. To them you delegate the onerous duty of conducting your affairs during the whole year. You may well appreciate the fact that many difficulties must arise and many questions will come before this body to be answered. It is my pleasure to state to you, as one experienced, having sat at this council board for twelve years that more honest, more upright,

more conservative and more careful men, never conducted the affairs of any organization.

Hard criticisms we have heard of our efforts, unkind and uncharitable insinuations are sometimes indulged in at our expense, but let me state for your edification and education that this body of men have labored and toiled incessantly for the good of this organization. And while we may be open to criticism because of the public position we occupy, it ill becomes any loyal Forester to question our sincerity, our good will or our honesty. And now fellow delegates this convention is open; I bespeak on your parts a moderation in speech and act. Our deliberation will bring forth various, honest and different opinions. No two men may look at the same question the same way. We will discuss the questions as honest, Catholic Foresters, nor shall we be tempted to violate the laws of our constitution by word that would mar the greatest virtue of our organization, Christian Charity. And may the Lord God, inspire you to do that which lies before you in a manful, honest way, and may the blessing of God descend upon you.

At the close of Rev. Fr. O'Neil's address a rising vote of thanks was extended to His Eminence, Cardinal O'Connell, for the interest he has always manifested in the Massachusetts Catholic Order of Foresters, and for his presence at the reception tendered delegates to this convention held in Mechanics Hall, Tuesday evening, May 21st.

Brother James J. Lanigan of Cathedral Court No. 1 for the Committee on Credentials reported that the High Court was entitled to 684 delegates, representing 236 Courts. At time of report (10.50 A. M.) 591 Delegates had presented their Credentials. On motion of brother James J. Lanigan of Cathedral Court No. 1, seconded by brother Michael J. Hannigan of St. Luke Court No. 211, it was voted that the report be accepted as progressive.

The High Chief Ranger invited the Past High Chief Rangers present to take seats on the platform, and directed the High Conductors to act as escort for Capt. Dennis F. O'Sullivan, the first High Chief Ranger of the Order, which duty was performed, and the High Chief Ranger presented Capt. O'Sullivan to the Conven-

tion, who expressed in a few well chosen words the pleasure it gave him to be present, and to see the magnificent growth which the Order had made from its humble beginning, and closed with the fervent hope that the Massachusetts Catholic Order of Foresters would continue in its great work of safeguarding and protecting the homes of the Catholic people of Massachusetts.

Past High Chief Rangers Fennessey, Cronin, Murphy, Bonning and Harrigan also accepted the invitation to occupy seats on the platform.

ADDRESS OF CORNELIUS M. DUGGAN, HIGH CHIEF RANGER,

To the Thirty-Third Annual Convention of the Massachusetts Catholic Order of Foresters, May 22, 1912.

Sister and Brother Foresters:

We assemble to-day at the thirty-third Annual Convention of our beloved Order to receive the reports of the stewardship of the High Standing Committee, Board of Trustees, and Finance Committee for the term ending December 31, 1911, to consider carefully the proposed amendments to the constitution,—to deliberate thoughtfully and with due regard to the ultimate benefit of our Order, the various questions which will come before us for legislative action.

Another page has been added to the magnificent record of this great body of Catholic men and women whose sole aim and purpose is,—the protection of home and loved ones. Another page teeming with kindly Christian sympathy extended to the fellow member in distress and affliction, and the more material assistance rendered after the Angel of Death deprives the domestic circle of its daily breadwinner.

MEMBERSHIP.

In two hundred and thirty-six Subordinate Courts, the number of members December 31, 1910 was 31,886. Initiated during 1911, 2,633, Total, 34,519. Losses by death 375; withdrawals and suspensions, 461, TOTAL LOSS, 836 members. Total membership December 31, 1911, 33,683.

The death rate averaged 11.1 per thousand in 1911. Average length of membership of those who died, fifteen years and four months. Average age at death, fifty years four months and eight days.

The number of applications received in 1911 was 3,086. Approved 2,673, rejected 413. Average age of those approved 31.4 years. Average of those rejected 37.2 years. Net increase during the year 1,797.

NEW COURTS.

Three new Courts were organized during 1911.

Fr. Sherry Court No. 251 of Springfield was instituted March 19th with 71 Charter members. Average age 34 years and 2 months.

Fr. Halloran Court, No. 252 of Cambridge was instituted September 7th, with 14 Charter members. Average age 24 years, 6 months.

St. Kevin Court, No. 253 of Norfolk Downs was instituted November 26th, with 49 Charter members. Average age 29 years, 1 month.

FINANCES.

Considering the large amount paid from our Mortuary Fund during the year 1911, namely, $362,659.55 we had a balance to our credit January 1, 1912 of $69,822.21, as compared with $65,012.98 January 1, 1911.

Our Emergency Fund, January 1, 1911 amounted to $350,-117.99, and increased $49,413.63 during the year, making the amount in that fund, January 1, 1912, $399,531.62. Of this increase $35,778.91 was received from the members of the Order, the balance being net income from investments.

Henceforward this fund will rapidly increase in conjunction with the numerical progress of the Order, until in the years to come it will be the great Financial Gilbraltar of our society, and a golden monument to the wisdom and far seeing providence of those who established it.

The balance to the credit of the General Fund January 1, 1912 was $19,978.53, as against $15,694.27 January 1, 1911. An increase during the year of $4,284.26.

TRUSTEES AND FINANCE COMMITTEE.

The Board of Trustees to whose care is committed the investment and supervision of the Emergency Fund deserve the thanks of the entire Order, for the careful, painstaking manner in which they have discharged their duties.

FINANCE COMMITTEE.

The Finance Committee in the performance of their duties have been most thorough and exacting in the examining of all receipts and disbursements. Their faithful work, untiring efforts, and systematic methods are highly commendable and deserve more than ordinary recognition.

DEPUTY HIGH CHIEF RANGERS.

To the Deputy High Chief Rangers who have served during the year just passed and who have done so much by their activity to keep alive the interest of the members, I tender my sincere appreciation. They are the ones who are commissioned to direct the subordinate courts over which they were assigned, and the accomplishments speak louder than words of their faithfulness in the performance of duty.

DEGREE STAFFS.

The sisters and brothers comprising the various degree staffs deserve the warmest praise for the splendid services rendered to the Order. In this as well as in former years they have given their services unsparingly, making many personal sacrifices, attending court installations and other events, where by their presence, added interest has been created and entertainment provided for the largest gatherings ever held under the auspices of our society, and much of the notable advancement made is directly attributable to their efforts.

HIGH STANDING COMMITTEE.

I am deeply indebted to the past and present members of the High Standing Committee who have labored with me in the vineyard of Forestry, during the five years I have served on the Executive Board, duly appreciating their good will and true friendship, evidenced on every possible occasion. I thank them all from the depths of a grateful heart, and while glad to retire from

the arduous duties incumbent to the position of High Chief Ranger, particularly so to a person of my laborious vocation, I feel saddened at the approaching termination of service, with the most honorable, honest and sincere body of men guiding the destinies of any fraternal organization within the domain of this great Republic.

Three responsible positions of the High Standing Committee deserve special notice, that of our High Court Chaplain, Rev. James H. O'Neil, LL.D., the representative of His Eminence, William Cardinal O'Connell. Father O'Neil's experience, wisdom and spiritual guidance are of inestimable value. Dr. Francis J. Hanley, High Medical Examiner, by conscientious supervision of his department has done more than his proportionate part in safeguarding a healthy growth. Daniel H. Maguire, our High Secretary-Treasurer performs the many exacting duties of his position in a manner highly creditable to himself and with honor and profit to the Order. May their faithful work be rewarded by many years of future service.

I thank the Delegates and members of the Order in general for the kind, courteous treatment I have received on all occasions when visiting subordinate courts. The fraternal friendship thus manifested will, in the years to come, bring pleasant recollections of friends and associates with whom it has been an honor to serve.

To my successor in office I bespeak for you the same loyalty that you have manifested to myself. Remember, your High Chief Ranger is but one, while you are many. See that by your co-operation with him his hands will be strengthened, his heart encouraged, and the year 1912 for our Order will be like those of its predecessors one of progress with our watchword, "Ever Upward, Ever Onward." "All for Each and Each for All."

In closing, let us remember our actions to-day will guide the policy of our Order during the ensuing year, and let us so legislate that the greatest good will accrue to the greatest number and returning to our homes proud of the record made during the past, let us seek to do better for the future.

And now my friends as an official of our beloved Order I say farewell. For five years I have served on your governing body. For five years I have responded to every call that has been made, doing all within my power for the upbuilding of the Massachusetts Catholic Order of Foresters.

There are many pleasant memories to carry for the rest of my life and my fond hope in retiring is,—that as time will pass and

new officers will govern, guide and direct your destinies, there may have been some words which I have uttered, some acts of good that I have done, the sincerity and honesty which has always been my highest endeavor, may have left an impression, that in your hearts and homes I shall not be forgotten.

The address of the High Chief Ranger was listened to with close attention and at its finish he was accorded a most magnificent tribute of applause.

The report of the High Medical Examiner was then called for, and on motion of brother Charles E. Bonning of Lepanto Court No. 142, seconded by brother Michael J. Hannigan of St. Luke Court No. 211, it was voted that the report of the High Medical Examiner be accepted as printed.

REPORT OF FRANCIS J. HANLEY, M. D., HIGH MEDICAL EXAMINER,

At the Thirty-Third Annual Session of the High Court of the Massachusetts Catholic Order of Foresters, Wednesday, May 22, 1912.

Sisters and Brothers:

The report which I have to submit for your consideration is intended to place before you in as brief a form as possible the vital history of our Order for the year 1911.

In preparing the Mortuary tables for this report, I have endeavoured to put them in such form, that they may prove of value not only by furnishing detailed information to those of our members who care to study them, but also to establish a method that will enable us to gather from year to year statistical data from our own experiences which will materially assist us to dispose intelligently of these applications which are of a more or less doubtful character.

A study of these tables for this year will show that, in the selection of risks, our Order compares favorably with other fraternal organizations of a like character.

The Mortuary record for the year 1911 was 375—291 men and 84 women. Of these two hundred and nine or more, than 55% of the total number of deaths occurred in members over 50 years of age.

We classify as "Early deaths" those which occur when the members have been in our Order less than two years. There have been fifteen such during the past year, two less than in the year preceding, resulting from the following causes.

EARLY DEATHS.

	Men	Women	Total
Acute Tuberculosis	1	1	2
Disease of Heart	1	0	1
Cancer of Stomach	1	0	1
Pneumonia	1	0	1
Accidental	4	0	4
Acute Nephritis	0	1	1
Gall Stones (Operation)	0	1	1
Complication following Child birth	0	2	2
Suicide (Insanity)	0	1	1
Ventral Hernia	0	1	1
	8	7	15

"Early deaths" are inevitable in every organization doing insurance business, and yet nothing is more detrimental to our insurance reputation. It has always been our policy, therefore, to make a most rigorous investigation in each of these cases, to ascertain if by any possibility these deaths could be foreseen, or their likelihood even be suspected. In other words, to determine whether or not, the examining physician had been derelict in his duty.

Of those occurring during the past year, six were of members who had belonged to our Order less than one year. Of these three were caused by accident, one the result of a complication following Child-birth, one from acute dilatation of the heart, and one the result of an operation for gall-stones. This last was the case of a woman, 44 years of age, who was a member of the Order only twenty two days. After a most searching investigation of this case, we are satisfied that the first symptoms of the disease manifested themselves but one week previous to her death.

Nine of these "Early deaths" were of members who had belonged to our Order between one and two years. Two of these, one a man, the other a woman, were caused by acute Tuberculosis, the duration of illness in the case of the woman being three months. The man died in Ireland and we were unable to obtain a complete history of the case.

Of the remaining seven, one was that of a man, killed by accident; another a man 47 years of age, who died of Pneumonia;

another, the result of Cancer of the Stomach; another a woman, 37 years of age, caused by Acute Nephritis of but seven days' duration; another a woman 24 years of age, who took a fatal dose of arsenic during an attack of temporary insanity; another the result of a complication following child-birth, and the last, a woman died at the Boston City Hospital from Ventral Hernia, caused by a severe strain. This death might be classed as accidental.

REJECTIONS.

During the year 1911, 3086 applications for admission to our Order were received. Of this number 413 were either rejected or postponed as follows:

	Men	Women	Total
Age above limit	24	32	56
Diseases of Heart	34	30	64
Personal Condition	40	51	91
Family History	15	23	38
Diseases of Kidneys	21	15	36
Over or Under Weight	8	18	26
Diseases of Lungs	14	11	25
Alcoholic Habits	16	1	17
Refused to Complete Examination	1	2	3
Hernia	2	1	3
Fair Risks	1	3	4
Hazardous Occuption	5	0	5
Refused Vaccination	0	2	2
Doubtful Statements	14	16	30
Postponed	6	3	9
Investigation Committee	1	1	2
Arterio Sclerosis	1	1	2
	203	210	413

We especially request the officers of local Courts to insist upon the use of the new form (1910 and '11 editions) of application blanks. These forms will be furnished on request. The form in use previously no longer conforms to our present method and cannot be accepted.

Apart from the exacted careful scrutiny of our Medical Inspectors it would seem as though the members themselves should at least consider their responsibility when applications are in their care.

"Doubtful statements" so fraught with injury to the best interests of our Order, and in many cases so plainly apparent, have placed too many applicants in our list of rejections.

There have been cases, and that not a few, in which it appeared that the applicants were dishonest in statements made to the local Medical Examiners, and in some instances, it was quite apparent that they had been aided and abetted in this by members of the Order. Now to overcome such conditions we would ask the officers of each subordinate Court to demand that investigating committees perform their duties in each and every case, not prefunctorily, but thoroughly, conscientiously and with some degree of pride in their work.

A review of the rejection tables for several years past, shows that an average of one in every twelve applicants is rejected because of physical defects, which render them unsafe as risks under our plan of Insurance. This to my mind speaks volumes for the careful and efficient work of our Medical Examiners and shows their loyalty to and their interest in the welfare of our Order.

Our Order rightfully expects that its Medical Department put forth its very bests efforts that the best possible results may be secured. Recognizing the responsibilities that devolve upon us, we mean to realize these expectations.

In April of the past year, a meeting of the Medical Examiners was called at the Boston City Club. To this call over eighty per cent. of our examiners responded, many of them coming from distant parts of the State. When we consider the loss of practice and office work, the inconvenience and expense of travelling entailed, such an attendance speaks most eloquently for the interest of our examiners in their work.

At this meeting papers were read by experts on subjects directly bearing upon examinations for life insurance, and these papers were discussed at length by those present.

That these Annual gatherings of the Medical staff are of the utmost importance to the order is evident from the marked improvement and uniformity shown in the manner the questions on application blanks are answered.

During the year, much valuable assistance has been rendered this Department by the members of the High Standing Committees. For this as well as for the never failing courtesies extended, I desire to record my grateful appreciation.

We ask that the present pleasant relations between this office and the membership at large be continued, that laying aside all considerations of self, we may by our united efforts obtain the best possible results for our Order. By so doing we will have the satisfaction of knowing that the gleanings of those efforts will be placed where we are all pleased to place them—to the credit of the Massachusetts Catholic Order of Foresters.

Respectfully submitted,

FRANCIS J. HANLEY, H. M. Ex.

The Municipal Bonds owned by the Order are divided amongst the cities of Boston, Brockton, Cambridge, Chicopee, Fall River, Gloucester, Haverhill, Holyoke, Lawrence, Lynn, Malden, Melrose, New Bedford, Newburyport, Newton, Pittsfield, Quincy, Salem, Somerville, Springfield, Taunton, Waltham and Worcester. The cost value of the several bonds was $232,217.65.

The net receipts from January 1, to April 1, 1912, were $2,979.58, making the total amount in the Emergency Fund, April 1, 1912, $402,511.20.

Since April 1, there has been received $3,641.43; divided as follows: Interest on mortgages, $777.50; net interest on bonds,

$2,404.25; interest on daily balances, $50.68, and Emergency Fund from High Secretary-Treasurer, $409.00.

The total amount in the Emergency Fund in the hands of the Trustees at the time of making up this report, May 7, 1912, was $406,152.63, invested as follows:

Real Estate	$5,000 00
Real Estate Mortgages, first liens	162,475 00
Municipal Bonds, cost value	237,885 15
Union Institution for Savings	579 76
Old Colony Trust Company	212 72
	$406,152 63

The difference in the mortgage loans between December 31, 1911 and May 7, 1912, is accounted for by the payments of $300.00 on account of mortgage notes, and a new loan of $3,000.00.

Since January 1, 1912, the Order purchased a $4,000 City of Fall River Bond, the cost price of which was $3,805.00, and a $2,000 City of Lynn Bond, the cost price being $1,862.50.

A certified copy of the securities owned by the Order and held in trust by the Treasurer of the Commonweath, dated January 16, 1912, certifies that all securities were in his possession, as provided by law, with the exception of mortgages to the value of $10,950.00, deposited in the safe deposit vaults of the Federal Trust Company, and the balance of $1,959.21 deposited in the Old Colony Trust Company.

The various estates upon which the mortgage loans have been made were inspected by the Trustees, the High Chief Ranger and the High Secretary-Treasurer, during the year and found to be in fairly good condition, and we are of the opinion that the Order is amply protected.

Respectfully submitted,

PATRICK F. BURKE, St. Gregory Court, No. 24,
GEORGE WIRTH, Holy Trinity Court, No 51,

The reasons being,—that under the law governing fraternal insurance organizations as enacted by the Legislature of the year 1911 and which went into effect January 1, 1912, no provisions were made for the State Treasurer retaining the custody of these securities, and as a consequence, all insurance organizations were directed by that official to remove their securities and in compliance therewith those owned by this Order were placed in a private box of the Security Safe Deposit Vaults.

The Committee on Memorial to our late High Secretary Treasurer, Major John J. Leonard, through brother James W. Cullinane of Fitzpatrick Court No. 13, Chairman of Committee reported as follows:

The Committee to whom was assigned the duty of considering the matter of memorial to our late honored High Secretary Treasurer, MAJOR JOHN J. LEONARD, beg leave to report as follows:

The Committee has held several meetings for one of which notices were sent to all members of the Order inviting them to be present and give expression to their views. This meeting was held in St. Rose Hall, Boston, Monday evening, May 13th. After the meeting your Committee took the matter under advisement and owing to the many divided opinions presented and various recommendations made, we are of the unanimous conclusion that any project which might be adopted would serve but a small portion of our Order, owing to the membership covering such a large area of territory, and as a consequence believe it would be inadvisable at the present time to undertake anyone of the forms proposed.

Your Committee has every confidence, however, that the stronghold which the noble, manly character of our late Brother has upon the members of our Order in all sections of the State is sufficient evidence that the future will solve the problem, and that a fitting memorial to his honored memory will be adopted.

JAMES W. CULLINANE, Fitzpatrick Court No. 13,
JAMES D. GRANT, St. John Court No. 23,
REV. JAMES H. O'NEIL, LL.D., Leo Court No. 5,

WILLIAM P. HAYES, Fr. Sherry Court No. 251.

On motion of brother Christopher J. Fay of Fitzpatrick Court No. 13, seconded by brother Patrick Grady of Sarsfield Court No. 48 it was voted that the report be accepted.

Brother Frank W. Kodad of Benedict Court No. 39 called for report of Committee appointed at last Annual Session to consider

qualifications of Deputy High Chief Rangers, and brother Christopher J. Fay of Fitzpatrick Court No. 13 read a copy of recommendations as made by the Committee, which, after being discussed by brothers John F. Wagner of Holy Trinity Court No. 51, John Riley of St. Michael Court No. 70, Jeremiah G. Fennessey of St. James Court No. 54, Dennis E. Murphy of St. Thomas Court No. 29, John F. Harrigan of McCafferty Court No. 100, it was deemed unnecessary that action be taken.

The report of the Committee on Constitutional Amendments was called for, the acting High Chief Ranger called upon Hon. William P. Hayes of Fr. Sherry Court No. 251 to report for the Committee on Constitution, upon the Amendments proposed for action at the 33rd Annual Session of the High Court.

The Annual Report as submitted by the Subordinate Court is the official record of the Court, and the attention of officers and Deputy High Chief Rangers is called to the necessity and responsibility of seeing that these are absolutely correct before signing and forwarding to this office. The financial and membership year begins January 1st and ends December 31st, and report for year must contain only the record between these periods. The membership record must be complete as to initiations, resignations, suspensions, withdrawals and deaths, while the financial statement must contain an account of all moneys received and expended, and the balance reported must account for all moneys on hand, whether in Mortuary, Emergency, General, Contingent, Building or Fund of any like nature.

PAYMENTS TO THE HIGH COURT.

The same condition has prevailed during the past year as in previous years and payment of Mortuary Calls by Subordinate Court Treasurers have been generally prompt, and it is hoped this condition will continue to prevail. Where there has been a delay it has usually been occasioned by the failure of the financial secretary to forward statement to the Treasurer, and the attention of those officers is called to the importance of that part of their duties.

During the year the High Standing Committee, finding that there had accumulated from previous years more money in the General Fund than would be required for the expenses of the Order during the balance of the year, voted that $6,000.00 be transferred from the General Fund to the Emergency Fund, which amount was placed to the credit of the Trustees in the Old Colony Trust Company.

NEW COURTS.

Father McGoldrick Court No. 254 was instituted in St. Leo's parish, Dorchester, June 28th, 1912, with 18 Charter members, the average age being 34 years, 9 months. This Court is located in a rapidly growing Catholic section, and with the

deep interest manifested by Reverend Father Cunningham, Rector of St. Leo's parish, it is expected the Court will increase quite materially in numbers in the near future.

IN MEMORIAM.

During the year the Order has lost one who in years past rendered much of value in the upbuilding of our organization. Bartholomew R. Doody served in 1900 as High Chief Ranger and previously in other positions upon the High Standing Committee. During his period of service on the governing board he gave freely of his time and ability in promoting the welfare of the Massachusetts Catholic Order of Foresters, and after his retirement from official positions, while the same deep interest in our advancement was ever in his mind, the condition of his health and business cares prevented his continuance of the same activities in our behalf that he had previously manifested. Brother Doody died with the universal respect of his fellow-townsmen, and those members of our Order who knew him will ever hold him in grateful remembrance.

EXAMINATION BY THE INSURANCE DEPARTMENT.

In accordance with the provisions of Chapter 628, Acts of 1911 an examination of the condition of our Order was made as of November 30, 1912, by the insurance department of the Commonwealth. The examination was of a most exacting nature, requiring more than two weeks time and a working force of four examiners, under the personal supervision of the Deputy Insurance Commissioner, and the thorough manner in which it was made impresses us of the wisdom of this feature of the Law. The report of the Deputy Commissioner will undoubtedly be of interest to the members of the Order, and therefore the principal parts are reproduced herein.

AUDIT.

The books were balanced at the close of business, November 30, 1912. The cash in the office was verified by actual count and the cash in banks by certificates from the proper officials

of said banks. The deed for the one parcel of real estate owned by the Society, the mortgage loan papers and the bonds of the Society were inspected, counted and found to be as represented by the books. Receipts were checked from the signed reports of the subordinate Courts for the year 1912 and vouchers seen for the disbursements for the same period. The cash book and ledger items for the year 1912 were added and test additions made of the entries for prior years. The ledger entries were checked to the cash book, the book of original entry and the ledger totals carried into the foregoing statement. The liabilities entered in the statement were drafted by the examiners from the company's records and are believed to represent all such. The accrued interest on the securities was also computed as of November 30, 1912.

ACCOUNTS.

The accounts of the company are well and carefully kept, and the few suggestions that occurred to the examiners as a result of the audit before described were in the nature of an amplification of the ledger accounts, which, if adopted, would simplify, we believed, the preparation of future annual statements and the work of future examinations. These suggestions were readily accepted by the Society.

The administration expense of the Society is extremely small. The High Secretary-Treasurer is the only one of the officers of the High Court to receive a salary, and his salary is a moderate one for the duties and responsibilities of the office. The other officers give considerable time and service to the Society, and the rapid growth of recent years is the best evidence of the effectiveness with which they perform their duties.

ASSETS.

The parcel of real estate owned was obtained through foreclosure proceedings, and has been allowed in this statement at the amount at which it is entered on the company's books, viz.: $5,000. It is believed an appraisal of the property would show a decrease in this value, though not to an extent that would materially affect the foregoing statement. It is the intention of the Society to sell this property as soon as possible.

The inspection of the mortgage loan papers was confined in the majority of cases to a review of the notes, as these papers were until recently in the custody of the State Treasurer and have previously been reviewed by the Department. The mortgaged premises have all been appraised within a year by the Department's appraisers and the loans ascertained to be within 60% of the appraised value.

The market value of the bonds owned by the Society was determined by means of quotations as of November 30th, secured from a Boston banking house.

RECORDS.

The records of the annual meeting and the High Standing Committee were reviewed and the affairs of the Society found to have been administered in accordance with the statutes and the by-laws of the Society.

Every courtesy and consideration was shown your representatives by the officers and employees of the Society, and the assistance furnished was a substantial factor in bringing about a speedy termination of the investigation.

The other matter and recommendations contained in the report have been eliminated in this article, as the High Chief Ranger will embody those in his address and recommendations to the Convention.

M. C. O. F. LEAGUE FOR THE PROTECTION OF DELINQUENT CHILDREN.

At the last Annual Session of the High Court, Rev. Fr. Michael J. Scanlan, Director of Charities for the Archdiocese of Boston appeared and outlined a plan for the care and guardianship of the Catholic juvenile, who through lack of proper attention on the part of the parents, or who through the malicious inclinations of youth would be brought before the Courts for punishment, in many cases the offense being of a trivial nature, yet where there would be no one to appear for the young person, the Law would take its course, and a Court and reformatory record would be a mark against the child for life. Father Scanlan's plan called for a probation committee to be selected by

each Court, the duties of this Committee being to make investigations whenever necessary and to arrange for the care and custody of the delinquent. This project met with the unanimous endorsement of the Convention, which pledged its moral and financial support, and as a consequence, Committees have been appointed by many Courts, contributions, as follows, having been received, all of which has been forwarded to the Directors of Charities of the three Dioceses of Massachusetts:

TRUSTEES OF THE HIGH COURT.

The Trustees of the High Court have been active and zealous in the performance of their duties in relation to the Emergency Fund and its investments.

The annual inspection of real estate upon which mortgages are held has been made, and instructions given for improvements

and repairs where necessary, and from the report of the Insurance Commissioner it will be seen that all mortgage loans are within sixty per cent of the assessed value as prescribed by our Constitution. The Securities contained in the private box at the Security Safe Deposit & Trust Company Vaults have been inspected by the Finance Committee, and by the Insurance Department, and all were found to be intact. A full and detailed report of the Trustees will be found on Pages 32–34.

HIGH STANDING COMMITTEE.

No change need be made in the words used in my last report relative to the loyalty, devotion to duty, self-sacrifice and constant endeavors on the part of the members of the present High Standing Committee in the upbuilding of our Order. They have been ever ready to respond to calls to visit Courts so that each year would find our Order stronger and greater than the year preceding.

The High Standing Committee has held during the past year 45 regular and special meetings, with an average attendance of 86%. In addition they have individually and collectively made 487 visits to 199 Courts. While the foregoing large number of visits has meant a sacrifice on the part of the members of the High Standing Committee, the fact that the year 1912 has closed with the largest number of applications received and members initiated of any year in our history, has been ample recompense for all sacrifices made, and I am directed to express their sincere acknowledgment to the members of the Order for the manner in which response has been made to their appeals.

All members of the High Standing Committee have taken such an active part in the development of the Order that to individualize would be unjust, yet I feel pardon may be granted of special mention being made of our worthy High Chief Ranger, Brother James Dignam, who has given of his time and ability freely and without consideration of himself in maintaining the proud position of our Order, which has meant a great deal, when we consider the distance from home he has been obliged to travel both going to and returning from meetings in all parts of the State. His ambition has been that during his incumbency of the high and honorable position which he has occupied for the

past year, the growth of the Order would compare favorably with those of his predecessors. How well this ambition has been attained is evidenced by the fact that the year 1912 has been the banner year in our history.

Our Order has been founded for thirty-four years. In that time the amount of good accomplished has been immeasurable. Let it be the lofty aim of all that the history of the past would presage the history of the future, and that generations to come will find our Order doing the same great good it has done in the past and is doing at present.

With sincere thanks to the members of the High Standing Committee and all officers and members of the Order for the uniform kindnesses and courtesies extended to me, I am

Fraternally yours,

DANIEL H. MAGUIRE,
High Secretary-Treasurer.

ADDRESS OF
REV. JAMES H. O'NEIL, LL.D., HIGH CHAPLAIN.

Dear Brother and Sister Foresters, Fellow Delegates:

A kindly Providence permits us to assemble for our Thirty-Fourth Annual Convention, to hear the report of your officers, to elect new officers and to transact all business that may come before us.

We have begun the day well by offering the Holy Sacrifice of the Mass for the repose of our deceased members, and to invoke the aid of God's grace that the day's acts and resolutions may redound to the glory of the Almighty and to the welfare of the thousands who have sent us here as their representatives.

I warn you that here there is no place for selfishness. Personalities must be forgotten and voice and vote must be given for the greater good of the greater number.

The examination of your printed report will show you the wonderful growth of the Massachusetts Catholic Order of Foresters during the past year, and they speak eloquently of the sacrifices of time and energy made by the members of your High Standing Committee. Individually and collectively they have labored incessantly day by day for the advancement of our great organization. To the genial retiring High Chief Ranger, Mr. James Dignam, and to Brother Timothy J. Collins, I would say God speed you. Others will be found to fill your places, but none will ever excel these worthy brothers in zeal and labor for our general welfare.

God has blessed us abundantly during the past twelve months; much good has been accomplished and is recorded in letters of gold in the book of eternal life. A keen satisfaction, indeed, to know that by our labors and our efforts we have brought into the world a ray of sunshine and gladness. That the widow and orphan are helped, the depth of sorrow and despair illumined, and the hard, thorny way of life made bearable.

We may well ask to-day, how was all this accomplished? My answer is: by fidelity to our cardinal principles,—Fraternity, Charity and Unity. Perhaps the most potent of all was our Unity. The keystone of success in our age is Unity. The secret underlying the grand, wonderful advancement of our

great organization is Unity. No single individual, no matter how powerful or influential can hope to obtain results such as are to-day demanded.

Nature's forces tell us this, and the history of civilized man, from the Roman with his bound fagots, even to our own time, teach the same lessons.

Unity of thought, of words, of action, Unity of sympathy, Unity of fraternity, Unity of charity are demanded if success would attend our efforts.

Have we been successful? Has the Massachusetts Catholic Order of Foresters used this great power in its fulness, and do results attained bear witness that all that was possible has been accomplished? Read the reports at hand, and you will agree with me that our history bears eloquent testimony of much good, well done. Where will we find the equal? Where parallel the good done by our Society? Not in any state or country; not in any society can it be equalled.

We gather here to review the past year and to legislate for the years to come. The past is secure, from it we will draw inspiration for the future. Not to-day or to-morrow or this or next year, but twenty years from now, shall come the crucial test. We must marshal our forces to prepare to meet what coming ages will bring to us. A proud heritage has been left us by thousands of faithful souls, gone hence. Their dependants were benefited and their last hours were sweetened by the consoling thoughts of having done good.

At this particular time, permit me to call your attention to one of the proposed amendments, styled our "Emergency Fund." There shall be established by the High Court a fund, to be known as the Emergency Fund, in accordance with the laws of the Commonwealth of Massachusetts. An assessment of one dollar, to be known as the Emergency Fund assessment, shall be levied upon all members of the Order on the first day of April and October of each year, and a like assessment shall be levied on all members admitted after either date and previous to the levy of the next assessment. The Emergency Fund shall be held for the payment of emergency mortuary benefits, but no portion thereof shall be so withdrawn or used, except by vote of the "High Court." This is a prudent move and one in the right direction. We must look ahead and provide for the future.

Like wise, conservative men, keeping in mind the welfare of our associates and the thousands who are to enter our ranks.

His Eminence, the Cardinal, though many miles away, is thoughtful of his children, and he bids me, in his name, to wish you God-speed in all the good works that brighten the history of our grand organization. Were he here to-day, he would tell you to be men, Catholic men, loyal and true to Catholic ideals, loyal sons and defenders of the Church's traditions and teachings; preserving at all hazards that unity of Faith, of Sacrament and of Sacrifice. Our Unity as Foresters has brought us grand temporal success and prosperity. Our unity as Catholics will bring us God's blessing for time and eternity.

The High Conductors were directed by the High Chief Ranger to escort to the platform the first Past High Chief Ranger and Founder of the Order, Captain Denis F. O'Sullivan, which duty was performed. Captain O'Sullivan was requested to address the gathering, which request was responded to by Captain O'Sullivan in a few well-chosen words, expressing his appreciation of the honor which was conferred upon him and the pleasure which it gave in seeing the magnificent development of the Order since its beginning.

Past High Chief Rangers Fennessey, Cronin, Murphy, Doherty, Harrigan, Bonning and Duggan were invited to occupy seats on the platform, and were escorted thereto by the High Conductors.

ADDRESS OF JAMES DIGNAM, HIGH CHIEF RANGER,

To the Thirty-Fourth Annual Convention of the Massachusetts Catholic Order of Foresters.

Sister and Brother Foresters:

We meet in convention to-day as the High Court of the Massachusetts Catholic Order of Foresters, to hear the reports of our executive officers in regard to the business of the past

year, and to deliberate, discuss and plan to the best of our ability and wisdom for the future growth and usefulness of our great Order.

The past year has been one of the most successful in our history. Not alone in the amount of money paid in and disbursed in our mortuary accounts, not alone in the substantial addition made to our reserve fund, but also in the large increase in our membership. It is with feelings of pride and satisfaction that I can extend my congratulations to the loyal and enthusiastic members of our Order, who by their active work and co-operation with the High Standing Committee have brought about this splendid showing.

Our total membership of 36,914 is sufficient evidence of the wonderful growth which we are making.

DEPUTY HIGH CHIEF RANGERS.

The duties of Deputy High Chief Rangers require tact, intelligence and ability. This Order has a fine body of men and women who are always ready to devote their time and energy to the work. During the past year they have greatly assisted the High Standing Committee in adjusting differences wherever they have arisen, and have responded to every call made upon them in the performance of their duties.

DEGREE STAFFS.

The splendid attendance at installations and like occasions during the year has been due in a large measure to the presence of degree teams. Their work lends additional interest and attractiveness to the ritualistic ceremonies. The more interesting we make our gatherings the more attractive they will be to the younger people, therefore the comparatively small expenses incurred by degree staffs is money well spent. We should encourage in every possible way the efforts of these young men and women who are perfecting themselves in graceful movements and drills for our pleasure and entertainment.

PAST CHIEF RANGERS' ASSOCIATIONS.

A movement was started during the year which had its inception in Springfield, the Past Chief Rangers' Associations. The aim and object of these circles, formed in different localities, is to conserve for the benefit of the courts in their vicinities the ripe experience and enthusiasm of those who have been honored with the high office of Chief Rangers. Already several circles have been formed, and I predict that in time these associations will render important aid in furthering the work of our Order.

INSURANCE COMMISSIONER'S REPORT.

The affairs of our Order were thoroughly examined by the Insurance Commissioner's Department of the State during the year, and to the honor and credit of the High Secretary-Treasurer and his capable and accurate assistants in the office, everything was found correct even to a penny. In fact, the Deputy Commissioner's report was complimentary, and we should be proud of the manner in which our business is conducted at the headquarters. The commissioner said in his report that our administrative expenses were extremely low, and that the High Secretary-Treasurer's salary is a moderate one for the duties and responsibilities of the office.

That is true, for while the work of the Order is continually increasing, the compensation for that work remains the same. As a matter of simple fairness the appropriation for clerical hire should be increased in order to reasonably compensate the faithful clerks in the office. The salary of the High Secretary-Treasurer should also be increased, for his service to the Order is well worth all that we can pay him.

Deputy Commissioner Hodgkins, who had personal charge of the examination, also made a report on our valuation as an insurance society. This valuation was based upon the National Fraternal Congress of Mortality Tables, and it dealt with the ages of the members, expectancy of life, present value of the policies based on the amount paid in, etc. The report is of great and timely value to us, inasmuch as it plainly points out the wisdom of making still more secure our future obligations, and

that now is the time to do this while we have over 28,000 members under 50 years and only 8,125 over that age.

A step in this direction will be brought before you in the form of an amendment to the constitution, which provides for an assessment of $1.00 for the emergency fund in April, in addition to the one already issued in October. This amendment has had the approval of the Committee on Constitution and we trust it will receive your indorsement, and thus by timely action on our part avoid in the future the hard roads which some fraternal societies are now traveling.

FORESTERS' BUILDING.

At a meeting of the Deputy High Chief Rangers held during the year, among other matters a paper on the subject of a Foresters' Building in the City of Boston was read. A business building in Boston, owned by the organization, would be a good, substantial advertisement and no doubt a source of profit to the Order, encouraging them to own their own buildings for meeting-places locally. This is quite important, and perhaps it would be for the best interest of the Order to investigate the matter.

In retiring from the office of High Chief Ranger, I deeply regret the severing of active connections with the members of the High Standing Committee. Our relations have always been most cordial and our differences pleasant ones, and the fraternal spirit of good will towards one another is nowhere in our Order better illustrated than among the members of this committee. All deserve great praise for their work, but I desire to call attention to the valuable services of our High Chaplain, our High Medical Examiner and High Secretary-Treasurer.

The recent examination by the Insurance Commissioner was a severe test of the manner in which our affairs are being conducted, and that test has proven conclusively that we have a High Secretary-Treasurer who is an honor and a credit to us. He devotes long hours and untiring efforts in keeping our Order in the front ranks of fraternal societies. We should congratulate ourselves on having in the most important office a man with such

great ability, such proven integrity and progressiveness as Brother Daniel H. Maguire.

Dr. Francis J. Hanley, as the head of the medical examiners, has been a very important factor in our present sound condition, and we would be lacking in perception of good service if we did not accord to him our generous support and praise for the careful and conscientious management of this important department of our business.

Our High Chaplain, Rev. Dr. O'Neil, notwithstanding his many duties as the spiritual head of a large parish, finds time to supervise and assist in the details of our work. I know I voice the sentiments of our entire membership in hoping that he may long continue his active and valuable services as High Chaplain.

To you and the members of the Order I commend my successor. Since his incumbency on the High Standing Committee we have labored together. I know how hard and how well he has worked for your upbuilding, and may I ask that to him will be given the same loyal support, the same cheerful assistance and co-operation which you have accorded me, so that when he too will lay down the cares of office he can look back to the years spent in your behalf with pleasant memories, and the full consciousness that under his guidance the Order has continued to expand, and its influence for the good of the Catholic people of our State will redound alike to your credit and to his.

In conclusion I wish to tender sincere thanks and appreciation for the honors conferred upon me during the past five years of membership on the High Standing Committee, and assure you that I have been well repaid for any sacrifice made, if I have succeeded even in a small degree of advancing the work of this great instrument for good among our people—the Massachusetts Catholic Order of Foresters.

Brother James J. Lanigan of Cathedral Court No. 1, Chairman of Committee on Credentials, reported that the Convention is entitled to 731 Delegates, representing 237 Courts. At the present time there were 583 Delegates present, representing 210 Courts and no Contests had been reported to the Committee. On motion of Brother Cornelius E. Maguire of Mt. Auburn

Court No. 195, seconded by Brother W. Charles Foley of Fr. McNulty Court No. 179, it was voted that the report be accepted as a report of progress.

The Report of the High Medical Examiner was called for and on motion of Brother Daniel H. Maguire of Merrimac Court No. 72, and duly seconded, it was voted that the report of the High Medical Examiner be accepted as printed.

REPORT OF FRANCIS J. HANLEY, M. D., HIGH MEDICAL EXAMINER,

AT THE THIRTY-FOURTH ANNUAL SESSION OF THE HIGH COURT OF THE MASSACHUSETTS CATHOLIC ORDER OF FORESTERS, WEDNESDAY, MAY 28, 1913.

The report herewith submitted is a detailed record of the medical department of our Order for the year ending December 31, 1912.

Compared with other years, we are pleased to state that this record is a favorable one.

The increase in total membership carries with it a larger responsibility for us all, and in this department a continued vigorous scrutiny of all applicants is required.

The year 1912 has passed without unusual incident. Our work has gone on smoothly and effectively. This is both pleasing and encouraging, and is due in a large measure to the manifest co-operation and interest of the active members in our work.

The local examiners have contributed largely to make possible the good results, in which we all have an equal share.

Sincere thanks are due and in the name of the Order are given to all whose kind assistance has been so generously rendered.

The mortuary tables are arranged to conform to those adopted last year, and should interest all members. Here as in no other place can the vital history of our Order as well be studied and understood. A careful perusal of these tables should arouse an interest in the work of this department, and members will readily understand the necessity for their co-operation in the selection of risks, that will be of untold value to our Order.

Notwithstanding the marked increase in membership from year to year, the deaths of members who have been less than two years in the Order continue relatively small. The early death record for the past eight years is as follows: 1905, 18; 1906, 16; 1907, 14; 1908, 20; 1909, 15; 1910, 17; 1911, 15, 1912, 17.

EARLY DEATHS.

	Men	Women	Total
Tuberculosis	2	2	4
Cancer	1	2	3
Appendicitis	2	0	2
Blood Poisoning	1	1	2
Eclampsia	0	1	1
Acute Nephritis	0	1	1
Diabetes	1	0	1
Natural Causes	1	0	1
Surgical Shock	0	1	1
Accidental	1	0	1
Total	9	8	17

With two exceptions, there seems to be no reason why a detailed explanation of the above cases should be necessary.

Of the two requiring explanation, the first was a man 47 years of age, a member only four months and twenty-six days, who died suddenly. The cause of death as given by the Medical Examiner was "Natural Causes." The local Medical Examiner, in a special report states that the examination when the man was admitted showed him to be in good physical condition, and he positively had no heart or kidney lesion at that time. The family history in this case was a splendid one; his parents died at an advanced age, and his was the first death in a family of nine.

The other case was that of a woman 28 years of age, who was a member one year and three months. The cause of death given was Surgical Shock and Hemorrhage. Investigation showed that this applicant would not have been admitted had she told the truth in her application, and for this reason my recommendation to the High Standing Committee was that the claim be not paid. This case has been referred to the Corporation Counsel, where it now rests.

REJECTIONS.

During the year 1912, 3500 applications for admission to our Order were received. Of this number 444 were either rejected or postponed as follows:

	Men	Women	Total
Age above limit	28	32	60
Diseases of Heart	30	21	51
Personal Condition	24	38	62
Family History	21	26	47
Diseases of Kidneys	18	21	39
Over or Under Weight	3	28	31
Diseases of Lungs	18	11	29
Alcoholic Habits	9	0	9
Refused to Complete Examination	3	6	9
Hernia	5	1	6
Fair Risks	3	2	5
Hazardous Occupation	10	0	10
Postponed	6	2	8
Doubtful Statements	24	42	66
Arterio Sclerosis	1	1	2
Diabetes	1	3	4
Personal History	3	1	4
Dilated Stomach	1	0	1
Cataract	1	0	1
	209	235	444

The rejections, as shown above, are relatively the same as in other years. More than one-third of them due either to laxity on the part of investigating committees or to extreme carelessness in making out application papers. This is not a desirable condition, nor is it limited to any one location.

The Order must be protected against its growth, and therefore all such applicants must submit to an investigation independent, and so critical that the Order and not the applicant will receive the benefit of whatever doubt exists.

If the members assigned to investigate applicants were able to disassociate friendship for the time being, and to place duty to the Order and themselves in its proper relation, our task

in this office would be much more pleasant. When investigating committees fail in their duty, it then becomes a practical necessity for added care. The case referred to under the early deaths is perhaps unusual, and we all hope that a recurrence may be very remote. But if, through failure of our members to do their full duty, we are obliged to make the same disposition of future cases we cannot and will not hesitate to do so.

In many fraternal societies, as in our own, examiners freely express the opinion that for the amount of time given to the individual applicant and the responsibility entailed, the remuneration is not what it should be.

This view, considering the changed conditions and the necessity of retaining our faithful examiners, is one in which I fully concur, and I trust that in the near future an adjustment of the examining fee will be made so that general satisfaction may obtain. Our aim is to keep our present efficient corps intact, as the loss of even one of our tried examiners creates a problem not easily overcome.

The passing of 1912 places one more year of success to the credit of our Order. Indications are not lacking that make a more prosperous era a certainty. United effort combined with that spirit which has dominated in the past is the key to future success. Assured of this we feel confident that our next report will be as our Order is, in the fullest and highest sense progressive.

Respectfully submitted,

FRANCIS J. HANLEY, H. M. Ex.

COMMUNICATIONS AND APPEALS.

The High Secretary-Treasurer read the following resolutions as presented by the Western Massachusetts Past Chief Rangers' Association:—

Springfield, May 20, 1913.

To the High Court of the M. C. O. F.:

BROTHERS AND SISTERS:

At a recent meeting of the Past Chief Rangers' Association of Western Massachusetts the advisability of regulating and making uniform the organization and government of all Past Chief Rangers' Associations was considered, and the following resolution adopted:—

WHEREAS, several associations of Past Chief Rangers have been organized throughout the Order, following the example of the Past Chief Rangers' Association of Western Massachusetts; and

WHEREAS, it is advisable and important that uniform methods and rules of organization and government should be adopted for such Past Chief Rangers' Associations;

THEREFORE, BE IT RESOLVED that the President and Secretary of this Association be authorized to present these matters to the coming Annual Session of the High Court, so that the High Standing Committee may be requested to consider the organization and government of Past Chief Rangers' Associations, the adoption of uniform methods and rules, and the regular issue of uniform passwords for such Associations.

We therefore respectfully request that the matter shall be carefully considered by the representatives at the 34th Annual Session and that such action be taken as may be deemed to be best for the advancement of the work of Past Chief Rangers' Associations and for the welfare of the Order.

The notes on the fifty-six mortgages call for $177,740.00; the assessed valuation of the mortgaged property May 1, 1912, was $337,600.00, and the insurance on the buildings amounted to $256,550.

The Municipal Bonds owned by the Order are divided amongst the cities of Boston, Brockton, Cambridge, Chicopee, Everett, Fall River, Fitchburg, Gloucester, Haverhill, Holyoke, Lawrence, Lynn, Malden, New Bedford, Newburyport, Newton, Pittsfield, Quincy, Salem, Somerville, Springfield, Taunton, Waltham and Worcester. The cost price of the several bonds was $275,621.40, the par value being $282,000.

The net receipts from January 1, to April 1, 1913, were $3,908.27, making the total amount in the Emergency Fund, April 1, 1913, $463,444.15.

The net receipts since April 1, have been $4,638.72; divided as follows: Interest on mortgages, $1,329.60; interest on bonds, $2,440.14; interest on daily balances, $58.98; forfeiture of option on estate, 98 Howard Avenue, $50, and Emergency Fund from High Secretary-Treasurer, $760.00.

The difference in the mortgage loans between December 31, 1912, and May 14, 1913, is accounted for by the payments of $2,400.00 on account of mortgage notes, and new loans amounting to $5,500.00.

Since January 1, 1913, there have been maturities of bonds owned by the Order, the cost price of which was $15,060.00, and the Order has purchased municipal bonds, the cost price of same being $20,266.05.

An inspection of the securities contained in private vault of the Security Safe Deposit Company was made April 15, by the Finance Committee who reported that all bonds and mortgage notes owned by the Order were contained therein, and a certificate from the auditor of the Old Colony Trust Company that the balance to the credit of the Order was $4,457.84, as shown by the books of the High Secretary-Treasurer.

The various estates upon which the mortgage loans have been made, were inspected by the Trustees, the High Chief Ranger and the High Secretary-Treasurer, during the year and found to be in fairly good condition, and we are of the opinion that the Order is amply protected.

Respectfully yours,

High Senior Conductor Buckley announced the presence of Mayor Fitzgerald, of Boston, and the High Conductors were directed to escort the honorable Mayor to the platform. The High Chief Ranger then presented His Honor by saying: It gives me great pleasure to introduce a distinguished member of our order, one who has time and again been honored by one of the leading cities of the world, Hon. John F. Fitzgerald, Mayor of Boston.

ADDRESS OF MAYOR FITZGERALD.

I have just come into the hall and thought I was to get a breathing spell in order that I might look about on this bevy of beauty; but I was introduced at once as one of the greatest men in the world, or Mayor of one of the greatest cities in the world, and that is about the same thing. I found on my recent trip to South America that everybody called me "Fitzy". I didn't mind it. I have been pictured in so many ways in the Boston papers, in the Springfield Republican and other papers that you who live outside, those of you who have never seen me, call me by different titles. Really, I am a pretty good chap regardless of the fact that those papers do not always print the truth about me. Some of my friends, like Judge Sheehan, have hard work at times in making people believe some of us city politicians are really good

citizens, but gradually, because of the conventions that come to our city like this, and the personal contact that we get with outsiders we are coming to our own. That leads me to observe and to make a point here of the power of the press, not only in this commonwealth, but throughout the United States and the very great handicap that an unfriendly, and unfair, and ungenerous press has been to the Catholic element, and the Irish element, and the foreign element generally. To make a personal allusion, within a month I met a half dozen different individuals who had the most peculiar impression about His Honor, the Mayor of Boston. On my recent trip to South America, aboard the steamer, it was a question whether certain passengers cared to meet me, but, after looking me over—at a distance—they thought I looked safe and, after the second or third day out, they rather sought an acquaintance, and by the end of the trip had become regular Fitzgerald "rooters". That is because I stand for a type here in Massachusetts that has never been given a fair show in certain of the public press, with the result that there was a chasm between the old-timer and the newcomer here that did not brook well. It would be infinitely better for us, and for the whole community, if we were measured by our true worth and properly criticized when we merited it, and praised when we merited it; and these men with whom I talked agreed with me. And I think if this order, radiating as it does into every part of the life of the community,. would just give that impression in their respective neighborhoods, praise, and encourage, and patronize the papers that tell the truth about everybody and everything, that the community might grow up with an honest impression, it would be a great blessing. At one time in this city it was almost a crime for a man of Irish blood to be a candidate for office. Six or seven years ago, after John P. Manning has shown wonderful ability in that office, when it came to the candidacies of Campbell, Fitzgerald and Dolan for the offices they occupy so acceptably, at the very time these very newspapers indulged in the coarsest kinds of abuse as to the characters of these particular men and their abilities, and pictured the men who then occupied the offices as of so high an order that their defeat would be a crime upon the community. All the men in these offices now—the Sheriff's office, the District Attorney's office, all Suffolk County offices—are Catholic and everyone of them has been renominated by both

parties, and there has been no contest, and that shows you the unfairness and the prejudiced point of view of these papers who opposed them as unfit. And it not only occurs in connection with important public offices, but in private business, with the result that there is this chasm and they have this prejudiced point of view because of what they read in the newspapers. I discussed this matter with a professor at Harvard. I told him that Boston should develop an undergraduate school of business. I said "One of these boys here has never seen the ocean except from the ferry-boat, and the other has not travelled on a railroad further than Brockton". My idea was to send the boys from the Commercial High School and give them a course in cultural and business subjects so as to get an A.B. and get into the business life of the community and be earners and providers when they are 21 or 22. Too many go into law and medicine who do not earn a dollar until they are over 30. These waters of ours should be developed. Thousands of young men, I told him, had been kept with their heads under water and the feet of the fellow in power on their necks while industry lagged, for the good jobs were kept in the family, and heredity you know does not always count, the son is not of necessity as good a man as his father. The professor said in the talk, "They tell me none but Catholics can be appointed in Boston Public Library. "Well", I said, "Professor, how absurd that is I will let you understand in half a minute. Just before I left Boston I appointed Samuel Carr Trustee of the Public Library and Josiah Benton as Chairman, and the very first name I sent in was the Rector of Trinity Church, Dr. Mann. You see that gives them three out of five." He said, "That is enough, but I got that impression in the best quarters in Cambridge." Another illustration of how they deliberately give misinformation. It is in the interest of the development of Massachusetts that every newspaper, particularly those that go into the best homes, that speak for the largest intelligence, should publish the truth. I do not mention any names, but it has occurred in this city where there are so many different elements of population, and every day I see newspapers deliberately print misinformation in regard to certain officials of the city and of the state. It is important then that we should read and encourage those newspapers that tell the truth. Apropos of this, there was an article in one of the magazines recently, speaking of the entrance of men of Irish blood

into important offices; in the course of the article it says, "Notwithstanding the fact that these changes have occurred, the order of the courts has been sustained." (Reads clipping). And yet as I said, if you read these newspapers that I speak of you would think every one of these men was a sort of a criminal and that the courthouse would not be safe under their domination. This is irrelevant, but I would be derelict to my trust as a member of this order if I did not give you that information and ask you to keep it in mind.

I am going to make another allusion here which I hope will be considered favorably. I have a copy of a speech delivered by Justin McCarthy 25 years ago and I think it would be a good piece to recite in the schools here in Boston, or where it could be admitted because of the agitation on Home Rule now. This statement, if printed in the newspapers or magazines today would open the eyes of some, for it is only after their minds have been poisoned by adverse criticism that they really form their opinions. (Reads). I think the world needs some such story, I think our boys and girls who do not appreciate the sufferings of the Catholic people in Ireland need a stimulus like that. Our Protestant friends (and most of them are very generous) if they could read a story like that and see that the greatest loyalty to Protestant leadership in Ireland's cause has been shown by Catholics, I think a large amount of feeling would be allayed. I did not mean to make this kind of a speech, but I have made it and I cannot draw it back. I hope you will all be here a year from today and another chap like myself will be on the job who can say, "Brother and Sister Foresters." I like to come here among you for I feel that I am in the home of my friends. I speak not only as the Mayor, but as a Catholic, and we can point with pride to our organization, for it is the best and cheapest of its kind in the world and is carried on by Catholics, and if I were in Belfast now I could not pay a better tribute to the Catholic people than to tell them the story of this organization and the way it is handled; and not a breath of scandal has ever been attributed to one of them, men and women working together in the name of God and the Church.

I have every confidence that the business which you will transact will be for the best interests of our Order; that it will go on in the future as it has in the past leading in the cause of

Fraternity, cementing a closer bond under the banner of Unity, and, that the great cardinal virtue of True Christian Charity will ever be in our minds and in our hearts.

At the conclusion of the address there was long continued applause, and in response to a persistent call for him to sing "Sweet Adeline" the Mayor yielding to their wishes, said he was learning a Japanese version to sing off the rocks in San Francisco in event of war, to put the Japanese to sleep. He then told a story after which he sang.

Brother Patrick H. McCarthy of Lafayette Court No. 14 moved the recommendations of the Committee be adopted, which was declared carried after being discussed by Sister Mahoney of St. Gertrude Court No. 141, Brothers Beauchemin of Wachusett Court No. 168, Silva of Hamilton Court No. 17, Hannon of St. Luke No. 211, and Fennessey of St. James Court No. 54, Reardon of Iona Court No. 10, Driscoll of Lafayette Court No. 14, Rev. Fr. O'Neil of Leo Court No. 5, Grant of St. John Court No. 23, Hayes of Fr. Sherry Court No. 251, and Cummings of Neponset Court No. 180.

Brother Patrick H. Cannon of Clinton Court No. 217 announced that the Hon. Lieutenant-Governor of the Commonwealth, David I. Walsh, member of Clinton Court, was in waiting, and by direction of the High Chief Ranger the High Conductors escorted the Lieutenant-Governor to the platform, all delegates rising in their places, a most enthusiastic reception being accorded the distinguished guest.

On motion of Past High Chief Ranger Cronin, it was voted that the regular Order of Business be suspended and Lieutenant-Governor Walsh be invited to address the Convention.

The High Chief Ranger then introduced the Lieutenant-Governor as one to whom not only our Order could point to with pride, but also the entire citizenship of Massachusetts, without regard to race, creed or party, for the strong, able, energetic character which he has proven himself to be in the discharge of his official duties.

Lieutenant-Governor Walsh responded, in part, as follows:—

ADDRESS OF LIEUTENANT-GOVERNOR HON. DAVID I. WALSH.

"I am glad of the opportunity to come here and bring to you the greetings of the Commonwealth at this late hour in your deliberations. I am pleased to be here for two reasons, first, because I am a member of your splendid society, and as such I believe in the principles for which your Order stands. I have a right to be here as the Lieutenant-Governor of the Commonwealth, for the Lieutenant-Governor of the Commonwealth ought to extend the greetings of our beloved Commonwealth to no gathering of men and women more willingly than to this gathering, and from the bottom of my heart, speaking for that broad and liberal Massachusetts that we all love, I bring the greetings and blessings of the Commonwealth to you and wish your society Godspeed and continued success.

I say I have a right to be here as a public official, because the public official ought to be pleased with the privilege of bringing a message of cheer and encouragement to the delegates of this splendid society, representing 35,000 men and women in this Commonwealth; and there are among the three million and a half people in this Commonwealth none more loyal to the flag of our Commonwealth than the M. C. O. F. The public official comes here to encourage you in your work and in your deliberations—for the principles of your Order stand for and advocate good citizenship. No man can be a member of this order, believing in its principles, without being a better citizen and being more loyal to his government.

Indeed, the very principles for which you are banded together in this fraternal society are becoming to-day the dominating and controlling principles for the direction and government of our people. You are gathered together for the cultivation of the splendid virtues of Christian Charity and Brotherly Love. I like to think of our government and our Commonwealth as one great, large, fraternal society, not of 35,000 alone, but of 3,500,000 souls, all anxious and desirous to cultivate these same principles, with the end, and the hope, and the belief that our government and our Commonwealth will be a better one for the existence of

these virtues in the hearts of men. We are beginning to realize this more and more and to instil more and more this spirit of charity and brotherly love into government.

In the days gone by the conception of government was the creation of a great organization that was concerned with the development and the cultivation of everything that pertained to the commercial prosperity of our country and our people. That was the idea and the conception of the functions of government in the days that have passed; but we are living in a different era, a different day, and I think the existence of such societies as this has helped to spread the feeling broadcast that this government has another end in view besides the creation of a great organization concerned only with commercial and industrial prosperity. We realize that the government, in order to reach its greatest heights, must be concerned with the spirit of Christian Charity that you preach and advocate. And that is the thing about our government to-day that is impressing mankind everywhere. We are beginning to see and realize that these virtues must permeate into the very life of the government itself.

This is why I am glad to be here to-day, to come here and welcome and, by my presence, encourage the men and women who are fostering these virtues, and who are doing all they can to promulgate them among their fellowmen. Our Commonwealth —and it must be a source of congratulation—is beginning less and less to be concerned about a man's religious beliefs and opinions, or about what race a man has descended from. Our Commonwealth is asking as the highest and only true test for efficiency in its service, "How much of the spirit of Charity and Brotherly Love does this man feel in his heart?" So I say our Commonwealth is beginning to realize that you of that creed, which is essential for membership in this society, are cultivating these virtues which are of benefit to the government, which are giving vitality and strength to the weak and are extending Charity to millions of our people.

Again I say I am glad personally to meet you who have been sent here to perform the duties and responsibilities of the Convention work of this society. Remember you are not here in your individual capacities, but representing the thousands who have selected you from their number to come here and be their

advocate and their pleader in the work of shaping the future usefulness of this splendid organization.

I congratulate you upon the progress you have made, on the increase in membership, on your sound financial standing, and I ask you to go home to those whom you represent and make them take renewed interest in this organization, because you are doing a grand work for humanity in Massachusetts. This society is giving charity to those who need it—aid and assistance to the weak, the poor, to widows and orphans, and to all who need encouragement in the hour of distress. You ought to be proud to be sent here for this purpose and for this work, and I sincerely wish and hope that the result of your deliberations will mean that you will go forth to another year's work stronger than when you entered this hall, prouder of your Order, and determined that it shall continue to succeed, continue to be a blessing to mankind and an inspiration to the Church of which you are members. Massachusetts is glad to have societies like this to encourage and cheer her children, and I wish every one of you success and prosperity, and may you all return home determined to make your Order stronger and firmer and more powerful in the good influence that it is spreading all over our Commonwealth."

At the conclusion, Rev. Fr. O'Neil moved, and it was unanimously voted, that a Rising Vote of Thanks be tendered the Lieutenant-Governor for the lofty, patriotic, inspiring address, and amid much applause Lieutenant-Governor Walsh was escorted from the Hall.

Rev. Fr. Michael J. Scanlan, Director of Charities of the Archdiocese of Boston, was then presented to the Convention by the High Chief Ranger, and addressed the gathering as follows:—

ADDRESS OF REV. FR. MICHAEL J. SCANLAN, DIRECTOR OF CHARITIES.

"I have just a few words that I should like to say to you this afternoon about the new work in which your organization is vitally interested.

The Convention last year pledged its unanimous support to the work of preventing the needless commitment of Catholic

youths to correctional institutions, whether public or private. Since that time the committee to which this important matter was referred has had many meetings, and has formulated plans for the permanent furtherance of this new project. An advisory board of six members of the Foresters in the Boston Diocese has been appointed by the High Standing Committee. This board is to act in conjunction with the Diocesan Director of Catholic Charity in the adoption of measures for the development of the work, throughout the Diocese.

Since January over 25 parishes have had Vigilance Committees established within their borders. These committees consist of three men and two women, and their purpose is to prevent as far as possible the commitment of any boy or girl to a correctional institution. They are pledged furthermore to take a vital interest in the community welfare, to try to prevent any or all serious moral dangers to children in their respective localities. I had the pleasure of presenting this movement in detail before the National Conference of Catholic Charities in Washington last September, and the Convention placed itself on record as not only thinking well of this movement, but as heartily endorsing it, so well were they impressed by the work which I told them was made possible through the action of your Order.

Since then, outside the State of Massachusetts, six different Dioceses, extending as far as Seattle, have sought information regarding the adoption of this plan in which you are interested, and I know as the years go on, that it will be something tremendously to your credit as Foresters, and will mean much to the Catholics of the State of Massachusetts and of the nation. His Eminence, Cardinal O'Connell, is most enthusiastic about it; he thinks it a splendid movement that has been started. Some of the justices in our courts say they know of no more worthy work than this one inaugurated under your patronage. Now the kernel of the situation is this: By virtue of your support we are going to make it appear very plain before all Massachusetts and elsewhere that Catholicity is not only right in theory, but right in practice, and works in season and out of season, and when we find a Catholic, in public or private life, we will feel he stands for high ideals. This movement was inspired because we had too large a number of our Catholic youths in public institutions, and the public was drawing a wrong inference from it. If you stand

by the movement for the next five years, you will see results that will be to your lasting credit, and for the good and glory of the country and Church which we all love.

On motion of Brother Joseph A. Sheehan of Cathedral Court No. 1, the following resolution was adopted.

Recognizing the splendid work that has been done during the past year by the Catholic Charitable Bureau in looking after the welfare of Delinquent Catholic Children under the patronage of the Massachusetts Catholic Order of Foresters, and being impressed with the great possibilities for the future prosecution of the work,

RESOLVED, that we renew our endorsement of this noble work in our last Annual Convention, and again pledge to it our moral and financial support.

A vote of thanks was tendered to Fr. Scanlon, and consideration of the Report of the Committee on Constitution was then resumed.

That in his retirement from office we have suffered great loss, and though he has been thrice honored by the Organization in election to the High Standing Committee, he has brought honor and credit in return,

RESOLVED,

By his acts and examples he increased respect for our Order within its ranks, and has materially assisted in promoting the growth of its membership, and strengthened the bonds of Unity, Fraternity and True Christian Charity within its Fold. Ever zealous in promoting the welfare of the Order and its members, the Fire of Love and Gratitude which has been enkindled in our hearts will burn forever.

Brother William P. Hayes of Fr. Sherry Court No. 251, in behalf of the Western Massachusetts Past Chief Rangers' Association, invited the Order to hold its next Annual Session in the Municipal Auditorium Building in Springfield and pledged in behalf of the members of the Association, and of the Order in that section of the State, a most hearty welcome, and that a fitting reception would be accorded all who would be present on that occasion. On motion of Past High Chief Ranger Fennessey of St. James Court No. 54, seconded by Past High Chief Ranger Harrigan of McCafferty Court No. 100, it was voted that the invitation be accepted, and it be the sense of this Convention that the next Annual Session of the High Court would be held in Springfield, 1914.

The Committee on Petitions reported on the Petition of the Western Massachusetts Past Chief Rangers' Association, recom-

mending that the entire matter be referred to the High Standing Committee to arrange to carry into effect and prepare a uniform set of rules to govern and control all Past Chief Rangers' Associations. On motion of Brother Thomas McLaughlin of Erin Court No. 28, it was voted that the report of the Committee be accepted and its recommendations adopted.

A resolution was introduced by Brother Thomas McLaughlin of Erin Court No. 28 that the High Standing Committee would consider the advisability of holding Memorial Mass on some day other than the Convention day. On motion of Brother William F. Riley of Constantine Court No. 49, it was voted that the resolution be accepted.

Before the close of the Annual Session the High Chief Ranger said in part: "I am retiring from the office of High Chief Ranger, and while I may have had my shortcomings, I have tried to be fair with everybody and to do the very best which was in me, while in the great office which I have occupied. If I have succeeded in the least degree, in furthering the interests of this great organization, I feel fully repaid, and thank you from the bottom of my heart for all the honors which you have conferred upon me."

At 8.40 P.M., on motion of Brother Joseph T. Brennan of Americus Court No. 34, it was voted that this Session be now adjourned.

Adjourned Meeting of the Thirty-Fourth Annual Session of the Massachusetts Catholic Order of Foresters, at St. Rose Hall, 17 Worcester Street, Boston, Monday Evening, June 2, 1913.

The meeting was called to order at 8.30 P.M., by High Chief Ranger James Dignam, and opened under the head of New Business.

Judge Joseph A. Sheehan in behalf of the Committee appointed to prepare resolutions in memory of the late Past High Chief Ranger, Bartholomew R. Doody, Submitted the following, which by a rising vote of all present were unanimously adopted:

In Memoriam.

BARTHOLOMEW R. DOODY.

By the inscrutable wisdom of God, Bartholomew R. Doody, Past High Chief Ranger of our beloved Order, has been called from this life into eternity.

His many commendable qualities of mind and heart, his devotion to family, his high standard of citizenship endeared him to his friends and neighbors in the town of Canton in which he lived.

His years of steadfast loyalty to the principles of our Order as a member and officer of Canton Court and as a member of the High Standing Committee, which finally resulted in his selection to fill the most exalted office of High Chief Ranger, commend his memory to every true Forester throughout the Commonwealth.

Called to God in the prime of vigorous manhood, the loss to his family is irreparable, to his friends deep and sincere, to the Massachusetts Catholic Order of Foresters that loss which inevitably arises when the voice of one who has worthily stood high in its councils, is stilled by the Angel of Death.

In recording an expression of the regret we feel at what seems to our dim eyes an untimely death, we must not overlook the eternal fact that the summons has been from God who watches over the destiny of men and of nations and that the passing of our departed brother must be accepted as the all wise manifestation of the will of our Creator.

We pray that God, in his goodness and mercy will take him to his Heavenly Kingdom that he may enjoy that peace which the world cannot give, that eternal rest may be granted to him.

He asked all to give to the new High Chief Ranger the same assistance and encouragement which had been given to himself, and pledged his continued interest in the promotion of the grand principles upon which our Order was founded, of Unity, Fraternity and True Christian Charity.
